**Mercantile Summary.**

THE estimated cost of the proposed bridge  
over the Ottawa river at New Edinburgh, is  
\$380,000 including gradings.

THE Quebec government is said to have ob-  
tained a temporary loan of \$500,000, from the  
Bank of Montreal.

Geo. DUSTIN, a sash and door manufacturer,  
of Richmond, Que., is in difficulty, and offers  
his creditors a composition of 33½ cents in the  
dollar. His liabilities amount to \$3,446, and his  
assets are \$1,900.

THIRTY tons of dressed poultry were shipped  
from Smith's Falls to Boston last week, the  
prices obtained being 8 to 9 cents for turkeys,  
6 cents for geese, and 4 cents for chickens.

A FIRM of storekeepers in Whitby, Messrs.  
Hamilton & Harrower, in a November circular  
to their friends and customers notify them that  
"we have decided to adopt the "prompt cash, no  
credit" system; believing that in doing so, we  
are meeting a want long felt by many right  
thinking people in our county. Knowing that a  
well-pleased patron is the best advertiser, we  
ask you to make us a visit, when we will under-  
take to satisfy you that it pays to buy for cash."

THE estate of the well known dry goods firm  
of A. C. Davis & Co., of Napanee, who had  
been in business for over twenty years, turns  
out badly upon their stoppage. This is attrib-  
utable to a certain extent to losses incurred by  
the failure of Messrs. Grange Bros., but there  
must have been some other heavy leakages to  
make the estate as hollow as is reported. It is  
stated that the estate will not actually realize  
more than twenty-five cents in the dollar,  
although the showing is reported to be better  
than this. The liabilities amount to \$21,449.31,  
distributed amongst thirty-two houses, the  
majority of whom are in Montreal.
