

The New Method

It used to be that if by any chance a man was unable to pay his insurance premium, his policy became void.

This is true, indeed, in many companies to-day.

The Manufacturers Life, however, offers plans, of which this is by no means true, and at the ordinary rates.

These policies keep themselves in force automatically, should the insured by any chance overlook, or be unable to meet the premium.

FALLING HAIR AND BALDNESS Absolutely Cured

There is but one way to tell the reason of baldness and falling hair, and that is by a microscopic examination of the hair itself. The particular disease with which your scalp is afflicted must be known before it can be intelligently treated. The use of dandruff cures and hair tonics, without knowing the specific cause of your disease, is like taking medicine without knowing what you are trying to cure.

Send three fallen hairs from your combings to Prof. J. H. Austin, the celebrated bacteriologist, who will send you **ABSOLUTELY FREE** a diagnosis of your case, a booklet on care of the hair and scalp, and a sample box of the remedy which he will prepare especially for you.

Enclose 2c postage and write to-day.
