- Imports auto accessories from Japan and Taiwan.
- Not completely satisfied with present suppliers.
- Price is a significant consideration in the decision to import.
- Obtains information from manufacturers to aid in purchasing decisions.
- Has never tried Canadian sources.
- Prefers to be contacted personally by the Canadian company or via brochures and trade fairs and/or to visit the Canadian firm and its facilities.
- Participates in the Southern Enterprises Manufacturer Association Show.
- Actively seeking sources of supply for lugnuts.
