

The Royal Commission on the Indian Reserves...
The Commission was established in 1913...
to investigate the conditions of the Indian Reserves...
and to recommend ways of improving them...
The Commission's report was published in 1916...
and is a valuable source of information on the subject...

The Commission's findings...
were that the Indian Reserves...
were in a state of neglect...
and that the Indian population...
was suffering from poverty and disease...
The Commission recommended...
that the Government should...
take steps to improve the reserves...
and to provide for the welfare of the Indians...
