

July 23/23
Principal Sir Arthur W. Currie G.C.B., K.C.M.G., K.C., J.D.
McGill University, Montreal.

Dear Sir Arthur Currie

I thought you
might like to see the last account
of a function in which you were
included not very long ago, and
have now been, so I enclose it
taken from the Seafarer.

I am hoping to start for a
3 months' tour in Canada about
the end of the 1st week of August,
with transport facilities from the
railways to enable me to see the
country to advantage.

I have to be back from Vancouver
for the opening of an International
Dairy Congress in Washington on
Oct. 10th, but I hope to be able to
look in to see you in passing
before that date.

Yours very truly
Robert Wallace
