

# The Holiness Berean.

A bright, eight-page undenominational monthly paper, edited by A. Sims, minister of the Gospel and author of various books and tracts for Christian life, work, and study.

Specially designed to lead those who are hungering and thirsting after righteousness into a deeper experience in the things of God; to awaken a greater interest in the world's evangelization, and to spread abroad the blessed truth of our Lord's return. Also has a department devoted to Illuminated Texts, or selected portions of Scripture made plain and forcible by some striking illustration, incident or brief explanation. Full of soul-stirring truth. Just the paper for a hungry Christian.
