

TRASK'S MAGNETIC OINTMENT.

READ THE FOLLOWING.

Judge Kimball's Certificate.

I do hereby certify that I have used Dr. Trask's Magnetic Ointment a number of years, in my family, and have made repeated and satisfactory trials of its efficacy in INFLAMMATORY DISEASES OF THE EYE, and in that malignant disease called PUTRID ERYSIPELAS.

I have within the last eight months cured myself of three several attacks of this prevailing Epidemic, which has swept thousands into their graves, who, had they made a timely application of the Magnetic Ointment, might now be enjoying the blessings of life and health.

I have known it used within the circle of my acquaintance in several cases of INFLAMMATORY RHEUMATISM, with the happiest effect, and also in a number of cases of INFLAMMATION OF THE BOWELS, where a speedy cure has been effected by a faithful application of the Magnetic Ointment, after they had been considered beyond medical aid.

NATHAN KIMBALL,
Ex-Judge of Oneida Common Pleas.

Dr. Bingham's Certificate.

In reply to your queries with regard to the results of the experiments I have made with your justly-celebrated Magnetic Ointment, I can say with pleasure that I deem it ONE OF THE GREATEST DISCOVERIES OF THE AGE.

It is now nearly two years since I commenced using it, and I have tested it in cases of Inflammation, both local and general, of the most malignant kind, with universal success; even in cases where other remedies failed, I have succeeded with this.

I have treated cases of Inflammation of the Brain, Inflammation of the Bowels, Inflammatory Rheumatism, with perfect success; also, cases of Scarlet Fever, Measles, and Lungs, with like success.

In the epidemic known as the Putrid Smallpox, where many valuable lives were lost, I tested it frequently, and it afforded a speedy and certain cure.

In cases of Burns, Sprains, &c., it is equally efficacious.

No physician or family will be complete without becoming acquainted with its merits.

Dr. Kennedy's Certificate.

It requires an article of real merit and value to stand the stern ordeal of public experiment. Dr. Trask's Magnetic Ointment has not only stood the test-trial, and has not been found wanting. It is a specific in the treatment of the Eyes, and its wonderful success in the cure of Rheumatism, and in relieving Nervous Affections, has ranked it in the list of remedies for those complaints.
