## With Little Effort

### The Cockneys Defeated the Men From Woodstock.

### Guelph Won a Poorly-Played Game From Hamilton.

### Cricket, Lacrosse, Turf and Other Sporting Events.

#### BASEBALL.

The Cockneys got next to Crystal on the start yesterday, and piled up four runs in the first inning before the young man had got well into the game. Four hits and an error of Martin's did the trick.

Two of the Cockneys' three runs in the fourth inning were due to Tipton's bad error at short. The other came by batting. Two charities and an infield hit, aided by a couple of stolen bases, gave two more in the sixth. Ernie and Crystal were pretty evenly matched, but the locals had the best of the argument in the batting.

The Bains' third and sixth innings were peculiar. All of their runs came in in those two. An error of Babbitt's, two charities, and one man hit by pitcher, followed by two short hits to the outfield, both of which should have been caught, but dropped between Babbitt and Reed, and the other between Frank and Reed, gave four runs.

The four runs in the sixth inning were with one exception earned by hitting. The Cockneys had a big advantage in base-stealing. They made a great record in stolen bases yesterday. Score:

## The Nerve Fluid Is the Fountain of Life.

Without the nerve force which runs the machinery of the body, there could be no motion of the limbs, no action of the heart; in short, there could be no life.

The nerve fluid is the fountain of life, and so long as the nerves are healthy and well nourished, there are no aches or pains, the organs of the body perform their functions, and disease is ward off.

### DR. CHASE'S NERVE FOOD

increases the nerve fluid, or nerve force in the body, as no preparation has ever known to do. It creates new nerve cells and adds new tone and vigor to the whole system. It cures all nerve disorders in nature's way, by building up and revitalizing the wasted tissues. Put up in pill form, 50 cents a box, at all dealers, or Edman, Box, & Co., Toronto.

#### THE AMATEURS.

A game of ball was played on the Grovenor Park between the West London Stars and the Oaks, resulting in favor of the Stars.

R. H. E. Stars.....10100-10  
Oaks.....332

A very interesting game of baseball was played Saturday afternoon on the Erie Plaza between John Marshall & Co. and the R. Greene Manufacturing Company, resulting in a victory for the latter by a score of 9 to 13. Batteries—R. Greene Manufacturing Company, Berry and Tierney; John Marshall & Co., Peel, Lind and Russell.

A friendly game of ball was played opposite St. John's Church, between the St. John's Choir Boys and the United Stars. The game resulted in favor of St. John's by the score of 10 to 5. The features of the game were B. McNab's pitching for St. John's, and J. Grant's work on first base for the United Stars.

BAKER WAS CARELESS.

Hamilton, July 18.—"Heavy" Baker, the Hamilton pitcher, who has been sold to the Buffalo Western League team, pitched his last game here yesterday, and made a very bad showing. He was simply careless, showed no interest in the game, and took the heart out of the other players. The result was that the first two innings were as ragged as were ever played, and the Maple Leafs got a lead of seven runs. Every one of the five charities given by Baker meant a run. Kostal pitched well, but was hit hard in the sixth. Score:

#### A NEW LEAGUE.

A Chicago dispatch says: A new league of professional baseball clubs, backed by men who are opposed to the present magnates of the National League and their methods, is now being organized, and will begin business next spring. The new organization will consist of clubs in Chicago, St. Louis, Detroit and Milwaukee in the west, and New York, Philadelphia, Boston and Pittsburgh in the east. Many of the men who are now interested in the Western League have been approached by the promoters of the new organization, and were practically agreed to enter into the new scheme.

This means that the Western League people have decided to cut away from the National agreement, ignore the National magnates and affiliate themselves with the rival league.

## When Travelling

Always take with you a bottle of Dr. Fowler's Extract of Wild Strawberry.

The change of food and water to which those who travel are subject, often produces an attack of diarrhoea, which is as unpleasant and discomforting as it may be dangerous.

A bottle of Dr. Fowler's Extract of Wild Strawberry in your grip is a guarantee of safety.

On the first indication of Cramps, Colic, Diarrhoea or Dysentery, a few doses will promptly check the further advance of these diseases.

So, too, it is a specific for sea sickness, relieving the nausea, stopping the vomiting, settling the stomach and bracing up the weakened heart.

Dr. Fowler's Extract of Wild Strawberry is being more widely and shamelessly imitated this year than ever before by unscrupulous pharmaceutical concerns who hope to profit by the high reputation of this remedy. Your safety lies in seeing that the full name, Dr. Fowler's Extract of Wild Strawberry is on every bottle you buy.

## BIKE RACES AND CONCERT

Excellent Evening's Sport at Tecumseh Park.

Eight Keenly Contested Events—Some Sensational Finishes—800 People in Attendance.

About 800 people took in the bicycle races and band concert at Tecumseh Park last night, and were well repaid for doing so, the events being all keenly contested, and the finish in nearly every race being of the hair-raising order. The contestants were all local riders, with the exception of T. Higley, of Blenheim. The races were all run off in good order, and no loading occurred with the riders. Every race was fast, and at times the crowd rose to their feet in the excitement of the moment, and cheer after cheer rang out. The Seventh Band, 40 strong, provided an excellent programme of popular and patriotic airs, and were frequently applauded. It is safe to say that with proper fostering, bicycle racing will become a very popular sport in London. The crowd would no doubt have been much larger but for the counter-attraction—the labor parade.

#### THE EVENTS.

The one-mile novice for riders who never won first prize was won by R. Ingram, with A. W. Mahler, a good second, and Jas. Duncan a close third. There were eight starters, all local riders. Time, 2:21 3/4.

The half-mile for boys under 15 years was one of the best races of the season. Harry Gerlach won by about a third of a wheel length over John Flynn, who got a good second. Arthur Simmons got third. Four starters. Time, 1:21.

The one-mile open was a great race, the riders being bunched until on the home stretch. R. Ingram was first, but was hard pushed by J. Duncan, who got an easy second. A. W. Mahler was third. Seven starters, all local men. Time, 2:20.

The one mile tandem exhibition for track record by Chester McGuffin and Ernie Crouch, city, was one of the best events of the evening. The boys got an unspaced flying start, and made a record of 2:03 1/4. This cuts about ten seconds off their last exhibition, which was considered a fast mile.

Half-mile tandem race, exhibition for track record, by Mann brothers, Will and Frank, smallest tandem team in the world, aged 4 and 6 years, caused endless amusement. The youngsters did the half-mile in 2:01 3/4, and received an ovation from the crowd.

The one-mile lap race was won by R. Ingram, with 10 points. Jas. Duncan was second with 5 points, and Harry Edwards third, with 2 points.

The one mile, amateur champion of Canada, paced by the triplet (Bending, Nightingale and Bernard) was a great exhibition of fast riding. He covered the mile in 2:10 1/4, and received an enthusiastic reception from the stand.

One mile handicap—R. Ingram, city, scratch man, crossed the wire first by a small margin. A. W. Mahler, city, was second, and Jas. Duncan, city, third. Time, 2:36 1/4.

The officers of the meet were: Referee, W. A. Burns, St. Thomas; starter, Dr. Balfour, London; timer, Thos. Gillean, London; judges, George Macbeth, Fred Beltz, W. F. Boughner, and Frank Reid; clerk of course, John J. Foote; scorers, W. Mann, D. A. Breckon, J. C. Drake, and Fred Macfarlane; marker, E. D. Croden; umpires, George B. Dayton, John Macpherson, W. J. Portwood, Roy Routledge, E. R. C. Struthers; secretary, James McCormick.

C. W. A. rules governed.  
Mr. James McCormick, promoter of the meet, is to be heartily commended for his efforts to make bike races a popular sport in this city.

Next Saturday afternoon the greatest bicycle race meet ever held in London will be pulled off at Tecumseh Park. Canadian and American riders from all over the country will compete.
