## PLOT TO EMBROIL BRITAIN AND U. S.

American Officer Sees  
Clever Scheme in Landing  
of German Sub.

### CITIZENS TO RETURN

Therefore, Diplomatic Argu-  
ments Would Follow if  
British Fired on Ship.

"The Deutschland was sent to the United States to create between Great Britain and America a crisis similar to that caused between the United States and Germany by the drowning of American citizens when the Lusitania was sunk. It is a deeply laid and extraordinary clever plot of typical German ruthlessness."

This is the analysis of the situation made by Lieut. Frank R. E. Woodward, an American staying at the Carle-Rite Hotel. He has had twenty-five years experience in metropolitan journalism in the United States. He has lived in Germany. He believes that he knows the German mind.

Mr. Woodward pointed out that the Chicago papers announce that already applications for passage on the Deutschland have been made by three American citizens, evidently of German parentage. The same papers carry the news that British war ships are prepared to fire on the Deutschland.

"Should a British war ship sink the Deutschland with American citizens on board, President Wilson would be compelled for very consistency sake, to take similar steps against Great Britain as he did against Germany over the Lusitania case," said Mr. Woodward.

Even Advertiser Sub.  
"The fanatical devotion of the Germans for their fatherland, would compel them to obey a mandate from the emperor to accept the hazard of such a journey. You will notice, too, that for some time the Germans have been filling the papers with notices regarding the resumption of their submarine campaign. Were Britain to down American citizens as Germany has done, the protest of the United States would be nullified."

"It would place the British war ship in precisely the same light as the German submarine."

"On the other hand the British cannot refrain from sinking the Deutschland if they have the opportunity, on account of the menace to the cargo of nickel. It is an excellent plot to embroil Great Britain and the United States. It is typically German in its ruthlessness of human life, its cleverness, and its devotion to the fatherland."

Names His Rout Back  
"You will notice further how careful the German commander of the super-submarine has been to make clear the exact course which the Deutschland will follow in returning. He has even given out the course by which he came, and which the next submarine will follow in coming to America. What other reason could he have for this fool-hardy publicity, which is exactly contrary to the German tradition? Why should he announce at all that another submarine was coming?"

"These boats were made to be sunk; made to be sunk by British ships while they had Americans on board. The voyage might have been kept secret. The vessel might have been a German found secret. The widest publicity has been given to it. Why? There is only one answer to the problem—that which I have already given."

## GAME OF CHANCE MEN UP IN POLICE COURT

Charged With Conducting Scheme  
Under Guise of Giving Pro-  
ceeds to Red Cross.

CHICAGO, July 12.—Henry Ford of Detroit will be nominated for president on the first ballot by the party at its national convention in St. Paul, July 18 to 21. He will accept the honor, in the opinion of party leaders who held a conference here today.

"I believe Mr. Ford would be the strongest candidate we could name," said Eugene Chaffin, a former presidential candidate of the Prohibition party. "He would get many thousands of labor votes in addition to the solid support of old-line prohibitionists."

Accompanied by thousands of friends and relatives the members of the order gathered at Exhibition Park, where an interesting program of sports and speeches was held. Among the speakers were Dr. J. W. Edwards, M. P. Rev. Wesley Mesgar, pastor of Cooke's Church, Hon. Thomas Crawford, M. L. A., and Mayor Charles H. Sawyer.

Dr. Edwards in his address made reference to the bilingual situation in this country. "The Province of Ontario, which has contributed so generously in money and men, can easily be trusted to deal fairly and honorably with the minority. This question is bigger than any political party. The future of Canada is at stake. After the war millions of immigrants will arrive in this country, and we will have to decide now whether we will keep Canada a British colony or have racial chaos. The future of Ontario and the great western provinces is to be settled now."

"Orangeism," said Thomas Crawford, "is an accomplished much toward making Canada a gem in the British Empire, and educating the people to be not only good citizens, but good Britishers, and we must endeavor to live so that those of other nations who come to live among us will in the same way appreciate our religious and civil liberty."

Fred Dane, secretary of the Triennial Council, read two letters, one from Sir James Stronge, grand master of Ireland, and the other from Col. R. H. Wallace, grand master of Belfast, each containing fraternal greetings from the Irish associations to the associations in Toronto and Canada.

## DARING BOY LOST LIFE IN THE DON YESTERDAY

Five-Year-Old Fred Hills Failed  
at Difficult Feat and Was  
Drowned.

Five-year-old Fred Hills, 14 Napier street, was drowned yesterday afternoon, when he fell in the Don River, south of the Queen street bridge. The boy, with a number of companions, was playing around the crib-work near the water's edge. In a spirit of daring, he attempted to walk along the slippery top of the cribwork, but overbalanced and fell into the water. The cries of his companions attracted the attention of policeman 508, who brought young Hills to the bank. Dr. Bray, 298 East Gerrard street, was called and a pulmotor requisitioned from the Consumers Gas Company. After working for some time, the doctor pronounced the boy dead. The body was taken home. The chief coroner decided that an inquest was unnecessary.

## THREE MEN INJURED CAR STRUCK WAGON

Delivery Rig With Refreshments  
for Orange Celebration,  
Wrecked on Bathurst St.

At least one accident marred the twelfth, when a delivery wagon loaded with refreshments for the Orange celebration at Exhibition park, was struck by Bathurst car No. 27, in charge of Motorman 368 and Conductor 1046, near the corner of Arthur and Bathurst streets, yesterday afternoon, and Thomas Padgett, 340 Albany avenue, director of ceremonies in Nassau Lodge, No. 4, James Applegate, 89 Greenwood avenue, lecturer in the same lodge, and Norman Pike, 76 Dawes road, driver of the wagon, were injured. Padgett's left arm was broken, while the others escaped with minor injuries.

The delivery rig had turned out to pass a motor car standing at the curb, when it was struck with such force that two wheels were smashed and the motor car was driven on the sidewalk. The men were thrown out to the pavement. Their injuries were treated by Dr. C. H. Thomas.

## TORONTO EX-POLICEMAN MARRIED IN ENGLAND

Lance-Corp. Mead Has Served in  
the Trenches for a Year  
and is Now on Leave.

P. C. Wilson (388) has received a letter from Lance-Corp. John Mead, D. C. L., B.E.F., an ex-policeman from this city, who is now on leave from the trenches, in which he tells of his marriage to an English girl, who on a recent leave home, but were promptly locked after by the police. It took about 70 minutes for the parade to pass a given point and the parade was finished at 2 o'clock.

In the ranks of every lodge marched men who had seen the king's uniform. Behind a banner which announced that 6742 members of the County Orange Lodge were on active service, the members of the 20th Battalion, who were in the trenches, were in the ranks of every lodge.

Other than the representatives of the 20th Battalion, the members of which carried shining axes in a military fashion, almost every member of the city council and many other city employees of the city hall were in line. Among those in the parade were noticed: Mayo Church, W. D. Macpherson, M. L. A.; Fred Danforth, M. P.; Rev. Dr. Capt. (Controller) "Joe" Thompson of the 20th Battalion, and O. L. Several judges of the parade were a number of Shriners and other American visitors who took up their position on Yonge street and witnessed their first Orange walk.

The order of the procession was as usual. First came the band, carrying Lady True Blues and numbers of Ladies' Benevolent Association. Then came the 20th Battalion, followed, and then there were a number of Loyal Young Briton lodges. There were scores of automobiles in line and the number of historic carriages was diminished. Members of the Lady Russell 190th, L.O.B.A., filled two large motor sight-seeing cars to the city.

## ORANGEMEN MARCH THRU INTENSE HEAT

More Than Six Thousand  
Parade to Music of Many  
Bands.

### MANY IN KHAKI

Yesterday's Walk Thru City's  
Streets Had Decided Mil-  
itary Aspect.

Despite the fact that the sun shone yesterday from a cloudless sky with almost tropical intensity the 120 lodges of the Loyal Orange Association, turned out 6140 members for the annual walk thru the streets of Toronto. The burning asphalt made the walk especially difficult, but with the enthusiasm typical of members of this body the march was successfully completed by all. The parade had a decidedly military aspect owing to the fact that over 2000 in the procession were in khaki. Leave had been granted to soldiers at Niagara and Camp Borden who were members of the order to attend, and their presence helped to swell the ranks. But even with the addition of the soldiers the parade was not equal in point of numbers to that of last year when there were about 1000 more in the line.

This is accounted for by the fact that 6742 members of the order have enlisted and have gone overseas and many have made the supreme sacrifice. Some of these were as follows: "Cunnebert's Gift to the Empire—Seventy Men." "One Third of Our Men in Khaki"—O. L. 2414; "T. O. L. 140 Has Seventy Five Men on Active Service."

The usual orange and blue decorations were much in evidence. Many bands, including brass, fife, bugle and pipe, filled the air with such melodies as "Boys' Water" and "Protestant Boys" and several appropriate church hymns. Banners, streamers and floats carried such mottoes as "The Battle of the Boyne Meant Freedom for a Nation" and "We are Fighting For the Freedom of the World Today."

Crowds Gathered Early.  
As early as 8 a.m. Queen's Park was thronged with citizens adorned with orange and blue sashes, and by 10.30 all the lodges had assembled and the start was made. The head of the parade passed the city hall at 11 a.m., where thousands had assembled in the square to witness the march past. Several bands were in the line, and a beat here, but were promptly locked after by the police. It took about 70 minutes for the parade to pass a given point and the parade was finished at 2 o'clock.

In the ranks of every lodge marched men who had seen the king's uniform. Behind a banner which announced that 6742 members of the County Orange Lodge were on active service, the members of the 20th Battalion, who were in the trenches, were in the ranks of every lodge.
