Millinery High-class Suit Hats for Early Spring

Paris and New York are well reflected in the many stunning suit hats that are now shown in our millinery salon. Made of the fashionable caterpillar, liseret and Milan braids, with facings of Georgette or silk, simply trimmed with the novelty ornaments. Small, close-fitting effects, with high crowns, and the broad brimmed sailors—and all the most promising colors well represented. No two are alike, as exclusiveness is one of the desirable features of this splendid display. The prices, too, are modest—from \$6.50, \$7.50, \$10.00 to \$15.00.

Splendid Tailored Hats

Small Liseret Hats with corded silk ribbon and ornaments; soft brimmed Sailors, with bands and bows of corded silk ribbon, also of liseret braid, all colors; clever little rolling brimmed tricorns with ribbon trimming in nigger brown, black, dark green, navy, etc. Several other very pretty styles are to be had at this popular price.
