In reference to your letter of Nov. 5th. last in which you sent rental of \$130.00 covering certain mining claims (Surface rights) held by Hedley Amalgamated Gold Mines on the Chuchuwayha Reserve No. 2 I desire to draw your attention to the fact that this company have omitted to pay the rental due on the road allowance and camp site, amounting to \$67.00 connected with the said claims. You are therefore requested to collect this amount immediately and also have the company file a proper survey plan of the road allowance and the camp site, so that it can be plotted on the official plan of the reserve.

The previous meander sketch which they submitted with their original application is not satisfactory.

Please give this matter your immediate attention.

Yours very truly,
