

THE EVENING TIMES-STAR, SAINT JOHN, N. B., FRIDAY, JUNE 4, 1926

CLUBS TO MEET HERE OVER PROVINCIAL AMATEUR ASSOCIATION

GATHERING TO BE HELD ABOUT MIDDLE JUNE

Halifax Reports That N. S. Clubs Favor Breakaway

A MEETING of all the clubs in New Brunswick affiliated with the Maritime Provinces branch of the Amateur Athletic Union will be called for Saint John in a few weeks' time to consider the question of the formation of a New Brunswick Amateur Athletic Association. The Times-Star learns today on reliable authority.

The movement to secure control of its affairs in amateur sport not only in this province but in Nova Scotia is quietly proceeding, according to reports received here from Halifax, and the meeting called for here will bring the entire question to a head.

So near as can be learned, there apparently is a unanimous feeling that such an organization would tend to better conditions and overcome much of the friction that has been apparent within the M. P. B. since its organization. The movement first was started by the Wanderers' A. C., of Halifax, and the idea has spread so far that there seems every reason to expect that at the annual meeting here of the C. A. A. U., in September, formal authority to disband the M. P. B. and form provincial associations will be granted.

A definite pronouncement from the amateur authorities is expected within the course of a few days, it is learned.

SOME GOOD RACING SEEN AT MOOSEPATH

Track in Excellent Condition and Good Crowd Attends—The Results

There was a fair attendance at Moosepath Park yesterday afternoon, and some excellent racing was enjoyed. The track was in fine condition, and the different heats were closely contested.

FREE-FOR-ALL

Five horses started in the free-for-all, and although it was a procession in all three heats, there were very close finishes and many fast brushers. St. Rita's David Hall, won in straight heats, his fastest time being 2:30. The summary follows:

David Hall (S. Rice).....1 1
Margaret McGregor (L. Scott).....2 2
The Finisher (R. Sullivan).....3 3
Ephesus (L. McAlister).....4 4
Harvester (A. Long).....5 5

GREEN RACE

Lady Belle, owned by Fred King; Peter Sessler, owned by J. Sinclair, with Walt a minute and Lady Byns entered in the Green Race, but only the first two started. This proved one of the best events of the day, and the finishes were only by a nose. Lady Belle hurt one of her knees in the first heat, but was game. Peter Sessler won in straight heats; best time 2:30.

SPECIAL RACE

Faren Boy, owned by T. Collins; Jimmie O'Neill, owned by J. Ritchie, and E. Yearman's Rosy B. Moss, started in a special race. Rosy B. Moss won the first heat, while Faren Boy captured the second and third heats and the race, the best time being 2:48.

Dave Stockford was starter, George Clark and Lewis King, Judges, with Sherman Gray, timer.

It is the intention of the committee to soon start evening races as well as matinee racing on Saturday afternoon.

RETAIN WALKER CUP

ST. ANDREWS, Scotland, June 4.—United States golfers retained Walker Cup, with total of 6½ points against Great Britain's 5½, in two days' play, during which four two-ball four-ommes and eight individual matches were played.

Avalanche of Base Hits Features Holiday Baseball Games Here

Along The Sport Trail

By JOHN J. DUNLOP

PERHAPS no event in the world, and certainly no sporting contest, arouses more of human interest than the Derby, which was run off last Wednesday and in which some local men made a neat little pile. The race was instituted for three years in 1883—not a hard date to remember locally—but so completely has the glamour of the enormous sweepstakes overshadowed the affair that almost secondary interest lies in the running of the race with the real concern as to the winners. The horses in the race are mere names to the vast majority outside the inner circle but when the news that Coronach had won was flashed to every part of the world, few cities and towns there were that did not manifest interest. Men and women have been made rich for life as a result of the running. Charwomen have been freed from scrubbing for the rest of their natural lives and menial clerks have been transformed into independent gentlemen—all because a certain three-year-old horse ran some hundreds of yards a little faster than a few others. Invariably, a person of humble standing proves to be the winner. The Calcutta stakes of course, are the largest of all. The sporting gamble for such vast stakes appeals to an entire world. No wonder Derby Day is so universally known.

PIE TRAYNOR, of the Pittsburgh Pirates, is said to have the most powerful and accurate arm in baseball. He throws like a rifle-shot on every play and invariably right to the mark. He hurls at full speed on every play.

THE Jewish eleven of the Hakoah Sport Club, Vienna, wound up its tour of the United States recently with a victory at Philadelphia making it the sixth out of ten. Masters in the art of dribbling and outwitting the opposition, the Hakoah team has made a splendid impression during its games. In its game against the Franklins of Philadelphia before 25,000 people, the Hakoah exhibited such wonderful form and gave such an exhibition of combination and the passing game that even those who did not understand the fine points marvelled at their clever team work. Hakoah, before the kick-off, realized that in meeting Philadelphia it was facing the strongest aggregation since arriving in the United States. Yet the visitors never once faltered in untying their wits and skill against eleven players sporting the blue and gold, a combination which could really be considered an all-American League soccer team. Never once did the Philadelphia team look like even holding their opponents. In fact, at some stages of the game the Hakoah players rose to such majestic heights that they made players appear foolish at the easy manner in which they dribbled the ball.

EVEN the golf pros get back. Proving to the satisfaction of the Royal Canadian Golf Association that he had not followed the professional game for five years, Frederick Clunk, former well-known pro on the Pacific Coast, was recently reinstated to amateur standing. The application was endorsed by the Colwood Club of British Columbia.

MEMORIES of other days throng about us as we read of Walter Hoover, formerly of Duluth and now a member of the Undine Regatta Club, winning the singles at the Philadelphia sequel-centennial regatta recently from Paul Costello and Garrett Gilmore. It was not so many years ago when these two names meant a great deal to Saint John sports owing to the gallant bid for fame put up by one Hilton Belyea. They said the only one too crummy in the joints to make them travel but he surprised us all by his great work. Costello and Gilmore have both bowed before the prowess of one of Canada's greatest scullers but Hoover never took his backwash, although that memorable race in Buffalo in Hilton's first big year is not easily forgotten. Stranger things might happen than seeing Hilton Belyea at the Canadian Henley this year. Getting this year, Costello and Gilmore staged a desperate duel with a dramatic rush at the finish by Costello. But Hoover was equal to the occasion and now looks like the American entry for the Diamond Sculls. They say the Duluth sculler never looked better and showed greater form than in the historic Gold Challenge Cup in which Belyea competed a few years ago.

RUBIN BEATEN BY HAMPTON RUNNER

Malcolm Does 43 Feet, 31-1/2 Inches in Shot Put at West Side Meet

The Trojans won the Kenny Shield for the high team total at the West Side Improvement League sports yesterday afternoon before a fairly large crowd. George Spragg won the McCleod shield. The medals and cups were presented by the winners by Lieut. Col. N. P. MacLeod, president of the league, assisted by Dr. F. L. Kenny.

The sports were held on the West Side playgrounds which were in excellent shape. The grounds are regarded as one of the best athletic fields in the Maritime Provinces and with the completion of a first class quarter mile cinder track which has been determined on by the club officials a long felt want in the athletic life of the city will have been filled.

Lester, of Hampton, sprang the surprise of the day when he defeated Rubin in the mile. Geary's showing was also a feature. He is a youngster who lost an arm several years ago in a coasting accident. In spite of this he showed up strongly in the junior events and also in the senior jumps. In the running high he won second place with a leap of 5 feet 2 inches, and in the broad jump he was robbed of points when he was unable to keep his balance after an excellent spring. Drew Mulcahy won the event with a 19 foot jump with Wilson only half an inch behind.

McAvity's work in the pole vault occasioned much favorable comment. He cleared the bar at 10 feet 4½ inches in impressive style.

In the shot put "Beet" Malcolm, one of Canada's leading athletes in the event, was in a class by himself. He heaved the weight 43 feet 3½ inches, only about a foot behind the best throw he has made. This is regarded as excellent for so early in the season and Malcolm's work from now on will be watched with interest.

WINNING STREAK OF WATER DEPT. IS BROKEN, 6-2

Saint Johns, Royals and Shamrocks Are the Victors

THE class of baseball in Saint John was on trial yesterday, this city would have made a rather sorry showing. Apparently, the boys had an off day for in four games played the cold figures show the following:

Runs.....69
Hits.....69
Errors.....38

The city lots resembled the war-torn fields of Flanders by the time the avalanche of base hits had subsided. The percentage of runs and errors was exceptionally high as well.

STREAK BROKEN

The winning streak of the Water Department, Maritime champions, that started in July of last year and which carried them through to the city title, the New Brunswick crown, and right on through to Maritime honors, and gave them a good start on this year's race, was smashed last evening by one of the players who greatly helped them in their long string of victories when Lloyd Stirling pitched the Saint Johns to victory over the Watermen on the East End grounds last night before a crowd of 800 people, 6 to 2. The Saint Johns were strengthened through the addition of Earl Nelson, colored star, to their line-up, a decision that he must remain with the Saint Johns being handed down by the Maritime registration committee on Wednesday. Nelson got three hits in four times up and was a tower of strength.

BATTING HONORS

Battling honors for the night, however, went to young John Armstrong, intermediate star of last year, who potted out four hits in as many times at bat, one of them a triple, one of the longest clouds of the year. Another intermediate who was in the limelight was Ed. Snodgrass, who filled in behind the plate for the Watermen in excellent style. The Saint John hit time behind Stirling's fine twirling and the advantage of several miscues by the Watermen at critical moments. The defeat of the champions lightens up interest in the race considerably.

In a comedy of a game, the Saint Johns trounced the Trojans on the North End in the afternoon, 20 to 11.

COUNTY LEAGUE

There was only one game played yesterday in the County League, the Shamrocks overcoming a seven-run lead and finally winning out from the St. Peter's on the East End grounds in the afternoon before a good-sized crowd. St. Peter's collected 10 hits off Knudson and Potter, but two runs in the final settled the issue in favor of the Shamrocks. The winning runs were made with none out. Pye, Morris and Burgess, for the Saints, got three hits each, while Rowley and Moran got three apiece for the Shamrocks.

SOUTH END LEAGUE

Paul pitched for the Royals in the afternoon game on the South End grounds against the Nationals and won the decision, 6 to 3, although outby 2 to 1. Poor fielding by the North Enders let them the game. Mowry got four hits and Roberts three, Paul struck out fourteen of his opponents. Winchester pitched for the losers.

MILES WON

AMHERST, June 3.—John C. Miles placed another victory to his personal credit yesterday when he defeated James Hawbold, of Westville, Hector Corcum, of Lunenburg, Gordon Lewis, of Amherst, and Roland H. Sturwood, of Amherst, in the Maritime ten mile track championship. Miles accomplished the feat in 36:30 but he was not forced to his utmost.

WARNING TO SOCCER PLAYERS

Soccer players who have not taken out amateur cards yet are advised to do so now. Many of the players are registered and others have neglected to do so. To protect all concerned, it is advisable for all to be registered. Other suspension is bound to follow, under the amateur rules.

A Suit You'll Take Pride In

The tailored clothes you order between \$22 and \$32 at the Triple C Tailors stand for more than quality of a particular and recognized high standard.

You have saved good money, bought the very best and had it made to measure.

Since it is made in Saint John you have the designer at your elbow to see that everything goes right to your satisfaction.

The demand for a safe standard of cloth brings more men to the Triple C Tailors than any other in the Maritimes. Bring \$5 tonight and see why.

TRIPLE C TAILORS
Upstairs N. B. Power Bldg.
Open tonight and tomorrow night.

Home Green at St. Andrews

Here's the home green at the historic St. Andrews links, where Americans and Britons battled for the much-coveted Walker cup. The equally famous clubhouse is in the background. The Americans won.

New York, 2; Philadelphia, 7.
Boston, 12; Brooklyn, 5.
Boston, 12; Brooklyn, 11.
St. Louis, 14; Chicago, 2.
Five games, including two double headers, scheduled.

International League

Toronto, 10; Rochester, 11.
Baltimore, 17; Reading, 9.
Baltimore, 7; Reading, 2.
Newark, 7; Jersey City, 2.
Newark, 6; Jersey City, 2.
Five games, including two double headers, scheduled.

American Association

St. Paul, 1; Milwaukee, 4.
Columbus, 2; Indianapolis, 14.
Toledo, 2; Louisville, 3.
Kansas City, 7; Minneapolis, 13.

BAPTISTS VS. MARTELOS

A rattling good game is carded for the South End tonight when the two leaders, Martellos, the hard-hitting west side club, and St. John the Baptists, dash with the leadership at stake tonight on the South End grounds. Waters and "Tack" Dalton are the likely opposing twirlers. A big crowd is expected to see these two teams in action.

BODY PLANNED FOR CONTROL OF SCHOOL SPORT

Matter to be Placed Before Meeting of Provincial Teachers

AN ASSOCIATION to handle inter-scholastic sport entirely in this province is being fostered now by W. E. Stirling, New Brunswick vice-president of the M. P. B., and something of a definite nature is expected at the meeting of school teachers in Fredericton the latter part of this month. Inter-scholastic sport is developing gradually throughout the province, and it is the desire of Mr. Stirling to see the development placed on a well-nigh perfect basis. In fact, there are few counties in Canada that can show a better record.

With this as a guide, it is expected to interest the school teachers in healthy, organized sport and thereby develop a morale and school spirit otherwise lacking. C. B. Burden, of the Provincial Normal School staff, Fredericton, is associated with Mr. Stirling in the work, and is scheduled to bring the matter before the Teachers' convention. Mr. Stirling is to confer with Mr. Burden the latter part of this week at Fredericton.

SUSSEX HIGH WON

Keen Competition Witnessed in Athletic Events Yesterday

SUSSEX, June 3.—The Sussex High school today won the annual Kings county school athletic meet by a margin of four and a half points over Robbsey Consolidated. This win is the third in succession for Sussex and two more wins will give them permanent possession of the handsome Bolton shield. A large crowd witnessed the events and saw some splendid contests. Three records were broken. The new record holders are Stephen, Hampton, in the shot put; McMulkin, Hampton, who lowered the record in the 220 yards, and C. Chapman, Sussex, who won the high jump intermediate.

Kingston proved the surprise of the meet, amassing a total of 29 points, with only six entries. Sussex secured 44 and one-half points; Robbsey, 40; Kingston, 29, and Hampton, 22 1-2. Smith, of Kingston, with 18 points, and Kirkpatrick, of Robbsey, with 14, were the leading point winners. Sussex is now in possession of all the trophies, the Bolton shield for track and field, the Crosby cup for hockey, and the McKenna cup, for football.

LEAGUE MEETS.

A meeting of the West End Soft Ball League will be held at the home of the president, C. P. Wills, Tower street, this evening at 8.15. Representatives of teams entered are asked to be present for purpose of finishing the business before the opening of the league on Monday night, June 7, on the West End grounds.

Chats
with your GAS man

About Your Gas Bill

"Daily savings in little things makes big bank accounts," recently stated a prominent banker.

And one little daily saving can be on your gas. Here are some helpful rules for getting more for the gas you use in your gas range. Tack these rules up beside your kitchen stove.

1. Plan your meals systematically, such as, when baking, plan an oven dinner. The gas ordinarily used to heat the oven is saved.
2. Light the burner just as a pan is placed over it. Turn gas off at once when pan is taken from flame.
3. Use a small burner on the gas range whenever possible, instead of a large one.
4. Don't use the oven to heat the kitchen or dry clothes. A small room heater is much more efficient.
5. Boil all gas range burners once a month in a strong solution of soda or washing powder. Clean burners burn best.
6. Have all burners adjusted so that a blue flame only shows.
7. Have thermostatic controls, which automatically keep the heat at the proper temperature, installed on ovens, water heaters and house heaters.

A little careful watching every day means quite a saving at the end of the year, without your giving up any good enjoyed from the gas you buy.

New Brunswick Power Co.

"If It's Done With Heat, You Can Do It Better With Gas."
