Among the most attractive offerings in ladies' hats are mohairs in black, white, burnt and cream effects, also Toggles, in black, white, cream and champagne. Milans are shown in black and white, while in chip the prevailing colors are black, navy, green, white and buff. Prices range from \$1 to \$5 each. Of special interest, particularly for the value of the purchase are the children's hats shown in the highest grades of white Milan, at 75c, \$1 and \$1.50 each, and are really splendid values. The new arrivals, in both ladies' and children's hats, are of the very latest models.
