ings in variety.

The Goods are in better condition and more ad at they want and not waste their valuable time in waiting

Now that the Days are Shortening and it becomes necessary to resort to arti-ficial light so early in the afternoon, we beg most respectfully to impress upon the minds of Ladies who have shopping to do (and what Lady has not?) the great advantages that the morning possesses over the afternoon for purchasing **DRY GOODS**, and submit the following as a few of our reasons for so doing:

The light is invariably better in the fore

Our Establishment is open at seven o'clock in the morning at ree in their respective departments by eight, arranging the Good rade, and bringing forward fresh Stock from the Wholesale Dep Warehouse, which must be done every day in order to keep the as rarious lines of Goods unbroken, and fill up the vacancies made

For reasons stated above we respectfully submit that Ladies will be studying heir own interests by endeavoring to do as much of their shopping as possible etween the hours of 9 a. m. and 1 p. m.
