

Board of Management are hereby authorized to make necessary arrangements for the same." Mr. Peterkin in moving this resolution stated that the reason for making this motion was that if it was found necessary to re-arrange the loan during the year it could be done without the necessity of calling a special congregational meeting to sanction the same. Carried.

Mr. Joss moved, seconded by Mr. Grant, "That in view of the very efficient work done by our managers during the past year, especially in connection with the renovating of our church, making it not only pleasing to the eye, but very comfortable to worship in, and also finishing the details of the new Sabbath-school building, spending much time and thought to make the building worthy of the congregation, we extend to them a very hearty vote of thanks." Carried by a standing vote.

Mr. Adams thought that we ought to have the names of the tunes placed conspicuously in some part of the church. It was moved by Mr. Whytock, seconded by Mr. Lyon, "That this matter be referred to the session, and if it is practicable, to instruct the managers to have the same attended to."

It was brought to the attention of the meeting by Mr. Lloyd, that as the lecture hall is a very difficult place to speak in, some arrangement should be made whereby its acoustic properties would be improved.

It was moved by Mr. Geo. E. Dalby, seconded by Mr. Turnbull, "That the Executive Committee of the Building Committee receive the hearty thanks of the congregation for the excellent work done by them in the carrying out of the building of the new Sabbath-school to such a successful finish. Carried unanimously.

Mr. Thos. Wilson asked the session, as a member of the congregation, what position they had taken with reference to the *psalter*, and said that he understood from the newspapers that it had been decided by the Toronto
