ACUTE DYSPEPSIA Complete Nervous Prostration Cured by Using HAWKER'S NERVE & STOMACH TONIC. Mr. Wm. Thompson of Muscussh, N. B., says:

"For 2 years past my wife has suffered with
Acute Dyspepsia accompanied with complete
persons prostraction and a simulation about the persons prostraction and a simulation about the heart which frequently
produced an attack of faintness. She became
weak and nervous, lost all energy, and had a
constant Feeliss of decad. She suffered with
intense pain in the stomach after eating,
which was usually followed by the smothering
sensation about the heart and fainting spells.
She tried a great many remedies and was treated
by the doctors for some time, but obtained no

gave up all hope of ever getting better, when
our pastor suggested that she try HAWKEN'S
NERVE AND STOMACH TONIC and LIVER PILLS,

valuable medicines which have restored my
wife to health and strength and saved much
