### BEST TO PATRONISE.

I beg to return thanks to my patrons for their favors of 1901, and as the year has come to a close the most important feature of any business is to make the next year more successful than the last. With that special object in view II have selected my stock from best houses in the Dominion of Canada and United States and bought it also the lowest prices, so as to still enable me the increase my business by selling goods cheaper than I ever did before.

Call and prove my assertions when we show you my new stock at rock ,bottom prices. Thanking you for past favors, I await your visits.

classes in this sturdy North Shore nearly four weeks after-by saying :town why they should defeat the "The fact that Secretary-Treasurer "Tweede had used the club funds for his Premier, of whom our people are so "own purposes, instead of paying the people and the gentlemen who are "prizes due to the yachts, has killed the sesociated with him in the government and legislature of the Province. What is the matter with the gentlemen form their own aginions, in view of the of "the ticket" as employers of labor? | fact that there was nothing in the World's How do they compare with Messrs. statements to indicate that the Premier's Hazen, McInerney, Mott and McDade? son, instead of the Premier himself, was And, by what right or reason can those meant and that, as was subsequently gentlemen come here to teach Chatham declared by formal resolution of the men how they ought to vote? What have they ever done for us in the past for such charges." that they should ask us to accept their advice. And who are the persons who 4 h Sept., and with manly generosity are inviting them to lead us? They characteristic of the Miramichi, gave Mr. are entitled to the courteous treatment Stewart an opportunity to set himself which even presumptuous persons right. He had a week in which to conalways receive in Chatham, but they annot expect support from any persons here who have the interests of the Province at heart.

Meeting of the Government.

Hon. Premier Tweedie has gone Fredericton, where a meeting of the dovernment is to take place this evening. Stewart's object was to injure Premier The Sun's Vaporings.

Tweedie politically and Mr. F. M. Tweedie personally. The Sun endeavors to explain what it meant when it stated that a member of dealt with Mr. Stewart. It could not, the government was interested in the under the bye-laws, expel him, but it Campbell leases in Restigouche, and also in the refusal to turn over the lesses of the Maritime Sulphite Company to the Bank of Montreal. Both charges are by alleged correspondence and editorial absolutely groundless and made out of ities for whole cloth and the attempt to make Mr.

Tweedic a beneficiary is not only absurd —
it is ridiculous. So far as the Maritime and the ives for the company is concerned it has already been above that the continue the unworthy warfare he had set out upon and go seet free. At already been above that the continue the unworthy warfare he had set out upon and go seet free. At suipnite Company is concerned it has already been shown that the mortgage under which the Bank of Montreal took possession of the assets of the company was not on record when contracts were made between the lumbermen and the sulphite company, but was only recorded tained in the proposed suit. The effect after the lumber had been delivered and should have been to bring the slanderer was actually in possession of the company.
When the mortgagee closed down the operation of the mills much of this lumber

Stewart says "government papers have which had never been paid for was cut up into pulp and became the property of the erc. It is the government papers howof its solicitor as provisional liquidator.
What the surveyor general did in this instance was to refuse to transfer the leases to the morrigagee because the men who had got out the lumber had not been paid. These men were nearly all pour men and in some instances had discounted against a young fellow-citizen instances had discounted against a young fellow-citizen instances in the formula of the control of the surveyor general did in this realization that Mr. Fred Tweedie is in earnest, and if we are not mistaken he will find that he has been caught at last and will be made to understand that it is a serious thing to deliber ately publish charges of dishonesty against a young fellow-citizen instances in the control of the control o men and in some instances had discounted against a young fellow-citizen just startthe bills they got from the company with ling out in life, and, afterwards, show a the Bank of Montreal, the manager of disposition to stick to them until the law which was threstening to sue them to relating to libel is invoked to put a stop recover the money paid on the bills. This to it. was certainly a case where the government had the right to hold matters in Come on with the Revelations. abeyance until the matter was settled by Goods, which, when made with that touch of smartness which only the artistic tailor can give to your garments, will give you a greater amount of genuine satisfaction than tailor So far as the Campbell leases are con-
