

A Public Pit-Fall.

Shubenacadie Man Has a Dangerous Experience.

Fooled by an Imitation of Dodd's Kidney Pills—Took Two Boxes of the Spurious Remedy—Found Out His Mistake in Time.

SHUBENACADIE, Oct. 23.—Alfred Miller, of this town, narrates an account of a dangerous experience of his own, which is liable to occur to anyone who doesn't keep the sharpest kind of a lookout. The pit fall into which he fell lies gaping open to be stumbled into by the public at large.

It is a well-known fact that Dodd's Kidney Pills are the first medicine that ever cured those formerly incurable maladies, Bright's Disease and Diabetes. Dodd's Kidney Pills are likewise famous for curing Rheumatism. They have a marvellous reputation for curing Heart Disease, Dropsy, Bladder and Urinary Disorders, Female complaints and Blood Diseases. That anyone could be deceived into taking another preparation for Dodd's Kidney Pills is on first sight incomprehensible, in view of the reputation they enjoy.

This reputation, however, is just the point. Unscrupulous imitators trade on that reputation to push their own nostrums on the public. Read what Mr. Alfred Miller, of Shubenacadie, Nova Scotia, writes about his experience with imitations of Dodd's Kidney Pills.

"Having been troubled with a weak back and suffering this long while with severe pains occasioned by some kidney trouble, I purchased two boxes of a pill similar in name to Dodd's. I had determined to get some Dodd's Kidney Pills, but when I asked for Dodd's I was persuaded to take this other remedy. I used them with absolutely no effect. I was about to give up in disgust when it struck me I'd better try the genuine article. I then got a box of Dodd's Kidney Pills, refusing to take any others, and that first box cured me completely. So far the pain has not returned."

SPRAINED BACK!

Sprains, Strains and Injuries of the Back often cause Kidney Trouble.

DOAN'S KIDNEY PILLS THE CURE.

Here is the proof:—

Mrs. S. Horning, Glasgow Street, Guelph, Ont., says: "Doan's Kidney Pills are grand. I have not been ill since taking them, which was over a year ago last winter, and can give them my warmest praise; for they restored me to health after 25 years of suffering. Twenty-five years ago I sprained my back severely, and ever since my kidneys have been in a very bad state. The doctors told me that my left kidney especially was in a very bad condition. A terrible burning pain was always present, and I suffered terribly from lumbago and pain in the small of my back, together with other painful and distressing symptoms, common in kidney complaints. I could not sleep, and suffered much from salt rheum."

"When I first commenced taking Doan's Kidney Pills I had little or no faith in them, but I thought I would try them; and it proved the best experiment I ever made. I had only taken two boxes when the pain left my back entirely. Three boxes more, or five in all, made a complete cure."

"After 25 years of suffering from kidney disease I am now healthy and strong again, and will be pleased to substantiate what I have said, should anyone wish to enquire."

Laxa-Liver Pills are the most perfect remedy known for the cure of Constipation, Dyspepsia, Biliousness and Sick Headache. They work without a gripe or pain, do not sicken or weaken or leave any bad after effects.

A resident of Johannesburg says that four thousand British subjects remain in Johannesburg. The Boer Government has made excellent arrangements for safeguarding property there. A strong force of special police, chiefly Germans and Frenchmen, armed with revolvers, patrol the streets. The Government issued a proclamation threatening a heavy penalty upon those caught looting. Nevertheless, the Government intended to search the houses for valuables. It has withdrawn its passports from most of those who possessed them. All British subjects found in Johannesburg after October 20 will be summarily dealt with by martial law. The man says the train on which he travelled was pelted with sand and stones throughout the journey.

Personal

Rev. W. A. Snelling has left N. B. Margaree C. B. and has accepted a call to the Sackville and Hammond's Plain churches, N. S. Correspondents will please notice the change.

Rev. H. T. DeWolfe who has very acceptably supplied the Main Street pulpit for two Sundays, left on Monday morning for St. Stephen where he will remain for a few days, before returning to his home at Foxboro, Mass.

Rev. J. W. Williams of Onslow, N. S., dropped in to see us Monday morning. Mr. Williams came to St. John to accompany his daughter so far upon her way to Boston, whence she sails this week, with Mr. and Mrs. Churchill, on their return to India. The separation from home and friends is one of the severest trials of the missionary's life, and the trial is often as keen, in some cases no doubt keener, for those who stay as for those who go.

Rev. J. C. and Mrs. Archibald have been in St. John the past week the guests of Rev. J. W. Manning. These veteran missionaries have been spending a few days near Andover, the old home of Mrs. Archibald. We are glad to see these devoted missionaries and to hear from their lips of the progress of the work to which they have given their lives. We hope that health and strength may be given to them and that many years service in India may be theirs.
