ODDS AND ENDS. Arthur Ross and Walter Small, Wanderers' hockey stars, will be out on the lacrosse field this season.

While it is not yet known whether the Moncton Association football club will enter a team in the Maritime league this season there is still a possibility that the players can be induced to defend the cup they won last season and a meeting is to be held Wednesday evening to talk the matter over.

Frederick, R.C.R., Halifax, got into the finals in the 115-pound class at the C. A. A. N. Championships in Toronto. F. Hanks of Toronto in the heavy weight class was disqualified for attempting to throw a bout.

The Toronto Eastern League team is playing the tri-state circuit. They play two games in each of the following towns:—York, Harrisburg, Altoona, and Lancaster.

Low Cox, the veteran trainer and driver, is one of the first trainers in the Maritime Provinces to move in to summer quarters at the racetrack.

Word from New Glasgow, N. S., is to the effect that Trainer Cox has moved all his horses, including the government owned stallion Achilles, 215-14, out to Union Trotting Park, and is established there for the season.

Frank P. Fox, the Boston trainer, so well and favorably known in the provinces, will do his spring training this year at Dover, N. H., where Walter R. Cox, the grand circuit reinsman, is the lessee of the mile track and intends to give a Grand Circuit meeting in August.

The decision of Mr. Fox to train at Dover is a notable one inasmuch as for years the veteran driver has trained his horses at Combination Park, Medford, Mass., as the "sparrow track," which is a fast half mile track, is very near his home.

One of the principal owners of the track this year will be Mr. Ben Berenson of Epping, N. H., the man who bought Northern Spy (21334) from Mr. C. L. Jackson after the latter had campaigned for a season with such success. Mr. Berenson, it is said, would like to race the Spy horse on the Grand Circuit this season.

Everybody knows John Farrell in the district west of London. He is popular in all quarters and in great demand as an efficient chairman at picnics, tea meetings, concerts, etc. The joke is on John once in a long while only.

On one occasion at a rural picnic, in West Lambton he gave an address and took occasion to offer a prize of \$2.00 to the mother of the best looking baby on the grounds, and selected as the judges his friends, Messrs. E. F. Pardee and R. E. LeSueur, the Liberal and Conservative candidates respectively, for West Lambton. Those two astute politicians brought in the report that the eight babies in the competition were all so beautiful that they could only decide that each should receive a prize, and they elected the donor to pay \$2.00 to each of the eight mothers.

John promptly met the situation by informing the judges that they could not evade their clear duty in that way, and appealed to the audience to decide the matter. He won out with the result that the two politicians were out eight dollars each. The situation was greatly enjoyed by many others in addition to John and the mothers.

MOOSEPATH TRACK MAY NOW BE OPENED THIS SEASON

In this city horse racing seems to have died a natural death. The majority of the Provincial tracks and many of those in Nova Scotia have already arranged their programme for this summer but no more has yet been made to have races at Moosepath, nor is there much likelihood that any more will be made. Mr. H. J. Fleming informed The Standard last evening that there seemed to be so little interest in horse speeding in this vicinity that he did not know if any effort would be made to have the track opened.

No Horses in St. John. "You can't have races without horses," said Mr. Fleming, "there are none around St. John. Fred Duncan's string will train on the Fredericton track as you know. If we had horse training at Moosepath, interest in racing would be incited. In Fredericton there will be perhaps fifty horses getting into shape for the season. As a result the public will follow all developments with keen interest. Here everything is dead."

INTERESTING HOCKEY CASE IS LIKELY

Special to The Standard. Fredericton, April 12.—In Chambers this afternoon, Judge McLeod granted an order for the taking of evidence under the commission at Winnipeg of Chas. H. A. Van, who was president of the N. B. Hockey League in the suit which the managing committee of the Capital Hockey Club brought against A. E. Hanson, W. T. Whithead and Elias A. Keith for settlement of upwards of \$1,000 on the season's hockey operations in the winter of 1908. The club had a contract with Hanson and others mentioned by which they were to pay any deficit the club might have, if they were given any surplus there might happen to be.
