COUPLE HELD FOR THE DEATH OF TWO SISTERS

MR. AND MRS. VICTOR E. INNES

Mr. and Mrs. Victor E. Innes are in jail at San Antonio, Texas, awaiting a hearing. It has been intimated in the offices of the District Attorney that the State believes it has sufficient evidence to convict Mr. and Mrs. Innes of having caused the death of Mrs. Eloise Nelms-Dennis and her sister, Miss Patricia Nelms. Mr. and Mrs. Innes were arrested in Eugene, Ore., on August 18 last on a warrant charging them with responsibility for the disappearance of the two women. The charge was made by Marshal Nelms, brother of the two women. Mr. Innes was formerly Assistant Deputy United States District Attorney in Carson City, Nev. Mrs. Eloise Nelms-Dennis and her sister, Miss Patricia Nelms, were in the company of Mr. Innes when they mysteriously disappeared from Atlanta charging that they had been hypnotized by Mr. Innes, and that they had given him \$10,000 to invest in Mexican land. Mrs. Innes said that her daughters had left Atlanta to go to New Orleans and Texas, and that she had heard nothing further of them.

DEPARTURE OF RUSSIAN TROOPS

British Ambassador at Vienna says Austria and Russia had about reached agreement of Austro-Serbian dispute.

London, Sept. 16.—The foreign office issued this evening in the form of a White Paper, the report of Sir Maurice De Bunsen, late British ambassador at Vienna on the rupture of diplomatic relations with Austria, in which the ambassador declares that Austria and Russia had about reached an agreement on the Austro-Serbian dispute when their conversations "were cut short by the transfer of the dispute to the more dangerous ground of a direct conflict between Germany and Austria."

The ambassador says that although two days previously he had refused to consent to the communication of the conversations at St. Petersburg, Count Von Berchtold, the Austro-Hungarian minister of foreign affairs, on July 30, although Russia had been partially mobilized, agreed in a most friendly manner that the conversations should be continued.

"From now onwards," says the ambassador, "the tension between Germany and Russia was much greater than between Austria and Russia, as between the latter an arrangement seemed almost in sight, and on August 1, I was informed by Count Schebeko, the Russian ambassador, that Count Sazonoff (Austrian ambassador at St. Petersburg) had at last conceded the main point of issue by announcing to M. Sazonoff, the Russian foreign minister, that Austria would consent to submit to mediation the points in the note to Serbia which seemed incompatible with the maintenance of Serbian independence."

M. Sazonoff had accepted this proposal on conditions that Austria would refrain from actual invasion of Serbia. Austria, in fact, had fully yielded, and that she herself at this point had good hopes of a peaceful issue is shown by the communication made to you on the first of August by Count Mensdorff (Austrian ambassador at London) that Austria had neither "banged the door" on compromise, nor cut off communications.

Count Schebeko to the end was working hard for peace. He was employing the most conciliatory language. Count Von Berchtold, however, had formed me, that the latter, as well as Count Forstner, had responded in the same manner. Certainly it was too much for Russia to expect that Austria would hold back her armies. But this matter could probably have been settled by negotiations, and Count Schebeko repeatedly told me that he was prepared for the acceptance of any reasonable compromise. Unfortunately these conversations at St. Petersburg and Vienna were cut short by the transfer of the dispute to the more dangerous ground of a direct conflict between Germany and Russia.

Germany intervened at the meeting of her double ultimatum to St. Petersburg and Paris. These ultimatums were of a kind to which only one reply was possible, and were thus declared war on Russia August 1 and on France August 3.

"A few days delay might, in all probability, have averted the outbreak of one of the greatest calamities in history."

The ambassador then refers to the rupture of diplomatic relations between Austria and the allied powers, the details of which have already been published.

away dress was of navy blue with hat to correspond. The happy couple were the recipients of many presents. On their return they will reside in Charles street, Fairville.

Ledingham-Watson.

A very pretty wedding was solemnized on Wednesday at the home of Mr. and Mrs. G. C. Watson, of Hampstead, N. B., when their eldest daughter, Lillian Alberta, became the bride of Thomas C. Ledingham of E. MacMichael & Co. of St. John. The ceremony was performed by Rev. J. A. MacMichael, minister of the Baptist church, at twelve o'clock, very soon after the arrival of the up river boats. The bride was dressed in a gown of ivory satin with veil and orange blossoms and carried a handsome bouquet of white roses, white and asparagus ferns. Miss Jean N. Slipp, wearing pink silk and carrying a bouquet of crimson roses was bridesmaid, while Jean W. Ledingham, little niece of the groom, carrying a bouquet of flowers acted as flower girl. Immediately after the ceremony the guests enjoyed a bountiful repast. The young couple are very popular, and the large number of gifts received gave evidence of the fact. Among the gifts was a very handsome silver tea service from the firm of Baird & Peters, Ltd. Mr. and Mrs. Ledingham came by auto to Westfield where they boarded the train for Boston and New York. On their return they will reside on Elliott Row.

Fairville, when Miss May Isabelle Wilson of Lorneville, was united in marriage to William Rihford Spergh of Westford. The ceremony was performed under an arch of fern and cut flowers by Rev. William F. Townsend. Miss Lena Miller of Fairville played the wedding march.

The bride was beautifully gowned in cream satin with chiffon overdress and pearl trimmings. She wore a veil of orange blossoms and carried a bouquet of white roses. Miss Hattie Spergh, sister of the groom, made a very charming bridesmaid and was dressed in pale silk with shadow lace overdress and carried a bouquet of pink asters. Little Miss Martha Wilson, niece of the bride, made a pretty flower girl. She was dressed in white and carried a bouquet of pink sweet peas.

SAYS THE GALICIAN INFORMED RUSSIANS OF AUSTRIANS' MOVEMENTS

London, Sept. 16, 3.30 p.m.—Samuel Renner, whose address is given at 24 East Fifty Eighth street, New York City, arrived in London today, from Halicz, a town of Austria-Hungary near the Austrian border, after having seen much of the fighting between the Austrians and Russians. Renner was visiting a brother, a farmer, when the war began. He says that the Galicians are so friendly to the Russians, and unfriendly to the Austrians, that they showed the Russian army all the roads in the province, and gave full information concerning the Austrian troops and their movements, enabling the invaders to make successful excursions. Finally the Austrian generals removed the Slav troops from Galicz, replacing them with soldiers who are bitter enemies of the Russians.

"The fighting became so bad that my brother and I decided to take a team and drive away from the line," said Renner. "We saw fighting at Halicz, Nieszow and several other towns. The Austrians were unsuccessful because the Russians seemed to have complete information every where about their movements. Even after the Austrian troops which sympathized with Russians were replaced by others, the Russians continued their successes. Cossacks preceded the Russian army scouting in small detachments. Their information was so complete that they seemed able to evade the Austrians."

He added that there is great terror throughout western Austria-Hungary because of the Russian advance. Vienna is quiet, though there is fear that the Russians will over-run the capital. The food supply probably is somewhat limited as the dealers permit a single person to have only a small quantity of flour at one time. This applies also to other staples. The price of food in Vienna are very high.

SWISS GOVT OPENS BUREAU FOR EXCHANGE OF CIVILIAN PRISONERS

Paris, Sept. 16, 4.10 p. m.—A Havas Agency despatch from Berne says that the Swiss government has established a bureau for the exchange of civilian prisoners. The expense must be borne by the countries benefited, the red cross and not come from the public charity funds.

ST. JOHN MUSICIANS OFFER TO GO TO FRONT WITH 71ST REG'T BAND

Special to The Standard. Fredericton, Sept. 16.—An effort is being made in some quarters to prevent the 71st Regiment Band going to Valcartier this week as planned to join the first Canadian contingent. The grounds for the protest are that the band is not composed of what the objectioners declare to be the proper channels, and it is even urged by the acting commanding officer of the regiment that members of the corps by going on foreign service have forfeited all rights as members of the 71st regiment and that the officers are the only ones entitled to the instruments which they helped to pay for being taken away.

The band held a meeting tonight and the complete Band going to Valcartier several members of the 62nd Regiment Band of St. John have volunteered to leave on Friday. Bandmaster James Whyte has communicated this information to Captain P. A. Guthrie at Valcartier, who sent word that the band was wanted for foreign service and that the officers are expected to return to clear up the situation.

Lt. Gov. Wood, Hon. J. E. Wilson and Hon. Dr. Landry are here for the meeting of the government. Hon. Geo. J. Clarke and Hon. J. A. Murray arrived this evening on the late train from St. Stephen, where they took part in the formal ceremonies of the Charlotte county exhibition today. Hon. John Morrissey is expected from Newcastle in the morning.

SOLDIERS' FAMILIES NEED ASSISTANCE

May have to be helped until men at Valcartier receive their first pay.

Members of families of soldiers who have gone to Valcartier have made application to the Citizens' Patriotic Committee for assistance, pending the first day pay to the soldiers. Some of those who volunteered for war service left their families without much money, and it is feared that some have been too proud to ask for assistance, and may be in bad circumstances pending the receipt of any money from the soldiers.

SOME OF CHANNEL APPROACHES TO THE RIVER THAMES CLOSED

Ingoing vessels flying Foreign flags must be conducted by Licensed Pilot—How Canada's wheat yield can be increased.

Special to The Standard. Ottawa, Sept. 16.—The Colonial Secretary has ruled that for purposes of national defence certain channels in the approaches to the Thames have been closed. All incoming vessels flying foreign flags and all British vessels from foreign and colonial ports must call at the new pilot station now established in the vicinity of the Tonque light vessel, or at one of the established pilot stations, viz., the Sunk light vessel Margate Deal and Dover, and be conducted to their destinations by a licensed pilot.

All outgoing vessels of the same description must before sailing obtain the services of a licensed pilot to conduct them to sea. Incoming vessels not included in the above before leaving their port of departure for the Thames and all similar outgoing vessels must obtain instructions from the nearest customs authorities as to the channels to be used.

In a special appeal to the farmers of the prairie provinces, with a view to securing the greatest possible production of wheat next year, Hon. Martin Burrell, Minister of Agriculture, urges that particular care be taken to get both summer fallow and stubble land into good shape this fall by ploughing and harrowing, then to be all ready for early seeding in the spring, the work being done well and only the best seed being used. The wheat yield, he says can be increased millions of bushels in this way.

BRITISH STEAMER LEFT AMERICAN PORT WITHOUT WIRELESS OUTFIT

Baltimore, Md., Sept. 16.—In opposition to a ruling of the United States department of commerce, that United States laws cannot be altered by the regulations of any foreign nation, the British steamer, Rosburg, today left Baltimore for Bordeaux, France, without being equipped with a wireless outfit, as required by the federal law. The maximum penalty for violation of this law is \$5,000.

The collector of the port this afternoon sent the case to United States District Attorney Hill, with orders to institute action against the ship's master.

GRAUALLY GETTING BACK TO NORMAL

New York, Sept. 16.—Financial attention was drawn today to the effect of the European war on the trade of this country, as illustrated by the import and export figures for August, compiled by the Department of Commerce at Washington. Merchandise imports for that month, \$29,440,000 against \$37,652,000 the same month last year. Exports aggregated \$110,338,000, against \$188,000,000 in August, 1913.

With these adverse conditions in mind, it appeared to be the consensus of financial opinion that much headway had been made in the process of re-establishing normal conditions between this country and Europe.

Mrs. Thos. Allan, R.F.D. 3, Sombra, Ont., writes:—"Five years ago I suffered a complete breakdown, and frequently had palpitation of the heart. Since that illness I have had dizzy spells, had no power over my limbs (locomotor ataxia) and could not walk straight. At night I would have severe nervous spells, with heart palpitation, and would shake as though I had the ague. I felt improvement after using the first box of Dr. Chase's Nerve Food, and after continuing the treatment can now walk, eat and sleep well, have no nervous spells and do not require heart medicine. I have told several of my neighbors of the splendid results obtained from the use of Dr. Chase's Nerve Food."
