

THE SUCCESS OF THE VICTORY LOAN

Depends not so much upon the big companies and the wealthy who take large amounts, **but upon the people who take the fifty and hundred dollar bonds.**

**You have \$5, buy a fifty;
If it's \$10, buy a hundred
Then save up till you own the Bond**

There never was a time when
it was easier to buy a bond.

There never was a time when
the Government needed your
money as badly as it does today

**It's your property, home and happiness that our Boys are
fighting to preserve.**

ARE YOU BACKING THEM TO THE UTMOST WITH YOUR MONEY?
