A country correspondent writes that we can rely on the genuineness of the notes sent us, as the writer is a member of the Christian Endeavor Society, and will only "write what I know to be the pure truth." ## THE LITTLE SICKNESSES

Which Grow Into Big Ones.

A little cold in the head is a trifle, but if neglected and it hangs on from week to week and gets into the throat and lungs it is no longer a trifle. It is then no longer a slight cold, but the beginning of chronic catarrh.

Do not make the mistake of thinking you have no catarrh because the head and nose appear to be clear. If there is a rough, tickling in the throat, hoarseness or a sense of oppression in the chest you have throat and bronchial catarrh. If the appetite is poor, nausea, gagging and disgust for food, especially in the morning, you have catarrh of the stomach.

The surest and safest treatment for every form of catarrh is an internal remedy which acts especially on the blood and mucous membranes.

Such a remedy is the new catarrh cure, sold everywhere by druggists under name of Stuart's Catarrh Tablets, a medicine in pleasant, convenient tablet form, and containing all the best and latest specifics for catarrh, whether located in nose, throat, bronchial tubes or stomach.

Stuart's Catarrh Tablets are composed of Sanguinaria, guaiacol, Red gum and similar antiseptics, which destroy the germs of catarrh in the blood, and no one who suffers from any form of catarrh and has seen the uselessness of sprays, douches and powders, will ever go back to them after once trying so convenient, pleasant and harmless a remedy as Stuart's Catarrh Tablets and one which gives relief in so short a time.

Even in cases where catarrh has affected the senses of smell and hearing, these tablets accomplish a cure, because the blood being cleansed of catarrhal germs, the mucous surfaces of the nose and throat no longer clog up the respiratory passages with catarrhal secretions.

All druggists sell full sized treatments of Stuart's Catarrh Tablets for the nominal price of 50 cents, and the regular daily use of them will effectually cure this troublesome and dangerous disease.

## THE WARAGRAPH.

Between two and three thousand persons assembled at the Arena last night to witness the interesting series of moving pictures which forms the attraction for the present week. The war scenes in South Africa provoked a good deal of enthusiasm, and the departure of the two Canadian contingents, the one from Quebec and the other from Halifax, with the orchestra playing "The Maple Leaf," aroused the patriotism of the audience to a high pitch. The pictures, taken altogether, provide a capital evening's entertainment, the comic scenes, such as "The Haunted House," "The New Flaw Fight," and "Dining Under Difficulties," being a source of great merriment to the young portion of the audience, and "The Battle of Modder River," and "The Transfer of the Wounded" from the train at Natal, were the most realistic.---Montreal Herald, Sept. 4th, 1900.

In Mann's Opera House Monday and Tuesday nights.

Mr. and Mrs. J. A. Black arrived home a few days ago accompanied by Mrs. Black's sister, Miss Martha Tait, who had been spending several weeks visiting in Boston and vicinity.

Mrs. Samuel C. Crockett, Middle Musquodoboit, and her brother Warren Johnson, Boston, drove into town on the 14th inst. Mr. Johnson is visiting for a few weeks at his father's, J. McGill Johnson, Upper Stewiacke, and other friends in vicinity.
