At PARIS, 1878,

This being the HIGHEST and ONLY AWARD given for

LINEN RECORD AND LEDGER PAPER.

A SPECIALTY.

THIS paper has received THE HIGHEST PREMIUM over all others from the Cincinnati Industrial Exhibition, Massachusetts Charitable Mechanics Association, Franklin Institute of Philadelphia, Louisville Exposition, Medal and Diploma from United States Centennial Commission, Medal of Progress, American Institute, 1877, and Medal of Improvement and Progress, Boston, 1878. Its PRINCIPAL ADVANTAGES are as follows: 1. It contains more linen than any other Ledger Paper has a longer fibre, and is consequently tougher. 2. Having a harder and better body it frays less in erasure, so that simply using the rubber after the eraser the ink is prevented from spreading. 3. It is more uniform in Weight, Color and Finish. 4. It never creaks if properly bound. 5. Its chemical action upon ink is such that it both writes and rules up better. For proof of the foregoing refer to a large number of Stationers, Bookbinders, Bookkeepers and Recorders, who have given it after a severe test, the preference over all others. This paper is Double Sized, and will stand any climate or the most acid of fluid ink.
