Mrs. E. C. Rossie,
President,
Regina Women's Liberal Association,
Regina, Saskatchewan.

Dear Mrs. Rossie:

The Prime Minister, whose great preoccupation with the work of this tour prevents him from having the pleasure of writing personal letters at this time, asks that I send you on his behalf a word of thanks for the work you and your committee did in connection with the reception at Regina on Wednesday.

Mr. King much appreciated the opportunity of meeting and shaking hands with so many of the citizens of Regina, and wishes you to know how grateful he is to you and to the members of the committee for having made this possible.

With kindest regards, I am,

Yours sincerely,

Harry Baldwin
