Ottawa, October 13, 1910.

Madam,

I have to acknowledge the receipt of your letter of the 6th instant reporting upon the domestic science work carried on by you in connection with the Sheshegwaning school.

The lack of interest shown by the women of the reserve is noted, but it is hoped that you will in time be able to overcome this.

The Department wishes to express its appreciation of the interest that you are showing in both this and the class-room work and will be glad to hear from you again at a later date.

Your obedient servant,

secretary.

Miss Adele Duhamel,

Teacher,

Sheshegwaning Indian school,
