Ottawa, February 11th., 1919.

Sir,-

I beg to inform you that Albert Sahguy, who bought the band's stallion in November 1916 and is paying for the same in instalments, has stated that he made payment of \$35.00 to you on account in October 1918 and that he holds a receipt for the said payment. The amount in question was not received by the Department and therefore it, as would seem, the Indian's statement is correct, the Department desires that you will at once forward the money here.

Your obedient servant,

Asst. Deputy and Secretary.
