

"S" and "T" of the Court Martial  
dated 2<sup>nd</sup> of June 1928 held on Pt  
J. E. Armstrong P.P.C. 1

I have given considerable study  
to these and in my opinion exhibit  
"S" (disputed) and exhibit "T" (proven)  
were written by the same hand.

My reasons are that there are so  
many purely individual characteristics  
in the writing which are identical  
in both of these exhibits in my  
opinion no other person could possibly  
forge the writing as appears in  
exhibit "S" sufficiently <sup>accurately</sup> ~~accurately~~  
in order to escape detection.
