"ALWAYS SAFE AND SURE"

DR. B. J. KENDALL CO.

Dear Sirs—Will you please mail to my address a copy of your "Treatise on the Horse"? I have been using Kendall's Spavin Cure and always found it safe and sure. Marino River.

That tells the whole story, and it is the experience that hundreds of thousands have had in the past 40 years, and it's the experience you will have. "It is the only sure remedy!"

For Spavin, Ringbone, Carb, Splint, Swelling and All Lameness

Sold by Druggists—\$1.00 a Bottle, 6 bottles for \$5.00. Keep it on hand always. Be ready for the emergency. Kendall's stops the pain, starts the circulation, penetrates and removes the cause of the disorders. Ask for a free copy of "A Treatise on the Horse." If not at dealers, write to—

About Ourselves

In our April issue we offered prizes to those who first came nearest to naming the plows and engines as shown in the illustrations in our Traction plowing number. We always felt that our readers were keenly alive to the Traction Cultivation game and every thing that helped to make it, but we had no idea that the interest was so general. In response to our prize offer, we received thousands of answers and it has been no small task to pick out the winners. We find, however, that the following are the lucky ones.

1st PRIZE—GLARE ACETYLENE HEADLIGHT

Andrew Lowry, Roseisle, Man.

2nd PRIZE—OIL PUMP.

Clifford Earl, Swan Lake, Man.

3rd PRIZE—BELT LACING OUTFIT

E. A. Pfrimmer, Myrtle, Man.

4th TO 13th PRIZES.
