MARKETS.

Liverpool Markets.

The following are the Liverpool quotations for each day of the past week:-

Table with columns for dates (May 13-19) and various commodities (Flour, Red wheat, White, Club, Corn, Barley, Oats, Peas, Pork, Lard, Bacon, Tallow, Cheese) with their respective prices.

The Produce Market.

Toronto, Friday, May 22.

English quotations to-day showed an advance of 2d to 3d on White Wheat, but one despatch quotes flour 6d lower. Montreal was steady, with a fair amount of business. Oswego reported a sale of Canadian White Wheat at \$1.80. Chicago was dull and declined to \$1.21 for June, and Milwaukee to \$1.24. New York was heavy and a cent lower at \$1.47 to \$1.49 for No. 2 Chicago. This market was quiet, but generally steady. There was but little movement in flour. One lot of 100 barrels of extra sold at \$5.70 f.o.b., but there was a good deal more offered at the same price without finding any buyers over \$5.65. One lot of 100 barrels of spring wheat extra sold at \$5.25 on the track, but choice would still bring \$5.30. There was nothing reported in superfluous, which may be considered unchanged at \$5.05 to \$5.10. Wheat was firm, with some movement in small lots. Several cars of No. 1 spring sold at \$1.25 f.o.b., chiefly to complete cargoes. There was nothing reported in fall, but holders were at \$1.32 f.o.b., or possibly \$1.33 might have been got. Oats were quiet with no sales reported, but values unchanged at 55c. for car lots on the track. Barley was nominally unaltered. Peas were steady; a lot of 6,500 bushels of No. 2 changed hands at 71c. f.o.b., and a car of No. 3 sold at 63c. in store; there was also a car of No. 2 sold yesterday at 70c. in store. For lots of No. 1 buyers could be found at 74c.

Ingersoll Cheese Market.

Ingersoll, May 21.—From all we can learn there has been little done during the past week—factories are asking 12c for the first ten days or half the month of May make. Buyers offer 12c to 12 1/2c. As the May make will be very short, on account of the backwardness of the season, makers expect to realize full rates for cheese ready to move. The prospects for the June make, owing to the recent rains, are encouraging. Shipments from Ingersoll station during the week amount to 1,401 boxes. Total shipments since Jan. 1, 13,566 boxes.—Chronicle.

Montreal Markets.

Montreal, May 22.

Flour—Receipts, 1,700 barrels. Market steady and a fair amount of business reported; extra continues about \$6; about 2,500 spring extra of various brands taken at \$5.45 to \$5.50; lower grades unchanged. GRAIN—No sales reported. PROVISIONS—Pork firm at \$18.75 to \$19 for mess. LARD—Wanted at 11 1/2 to 12c. BUTTER—Still drooping. EGGS—Unchanged.
