SUPERIOR DISC HARROW ON WHEELS.

"As easy to manage as a Road Cart."

American Seeding-Machine Co.:

GENTLEMEN,—Please accept my thanks for persuading me to buy a Superior Disc Harrow on Wheels, which was the first of this kind used here. It fills the bill in every particular. It is easy to handle, light on the team. It is the best disc harrow I ever saw or used, and is as much different from the old-style disc harrow as day is from night. I can honestly recommend the Superior to any one wanting a first-class cultivating tool. Could not afford to do without it for double what it cost.
