

Notice to Subscribers!

The Subscription price to the Western Home Monthly is 50 cents per annum to any address in Canada, or British Isles. The subscription price to foreign countries is One Dollar a year, while subscribers who reside within the City of Winnipeg limits and in the United States, are requested to send 25 cents extra to defray delivery charges. Remittances of small sums may be made with comparative safety in ordinary letters. Sums of one dollar or more it would be well to send by registered letter, P.O. Money Order or Express Money Order.

Postage Stamps will be received the same as cash for the fractional parts of a dollar, and in any amount when it is impossible for patrons to procure bills. We prefer those of the one cent or two cent denomination.

We always stop the Paper at the expiration of the time paid for unless a renewal of subscription is received. Those whose subscriptions have expired must not expect to continue to receive the paper unless they send the money to pay for it another year.

Change of Address.—Subscribers wishing their addresses changed must state their former as well as new address. All communications relative to change of address must be received by us not later than the 20th of the preceding month. That is to say if you want your address changed for the July issue, we must hear from you to that effect not later than June 20th.

When you renew be sure to sign your name exactly the same as it appears on the label of your paper. If this is not done it leads to confusion. If you have recently changed your address and the paper has been forwarded to you, be sure to let us know the address on your label.

You Need this Book

Bound in Oilcloth 5 x 7 1/2 inches

After you use it a while, you'll wonder how you ever got along without it. Everything is so simple and clear and practical it's just like having some wise old cook at your elbow. And with so many dishes to choose from, both old and new, there's no need of cooking the same old things time after time.

Even if you have a fairly good one already, you need the Blue Ribbon Cook Book.

It is specially prepared for everyday use in Western homes, and is practical and up-to-date. For instance, all ingredients are given by measure instead of weight, so you do not need scales.

Not a cheap advertising booklet, but a complete, reliable cook book, strongly bound in clean, white, washable oilcloth. And here's your chance to get it
