or North German Confederation passed its

the Special Commission, has resulted in his acquittal. Consols 95½, 5 20's 73.

LONDON, May 31, noon.—The regular weekly statement of the Bank of England, published this morning, shows that the bullion in that infinancial exhibition shows activity and buoyancy and speedy cure.

THE UNION PROCLAMATION

(From the supplement to the London Gazette of Tuesday, May 21) By the Queen.-A Proclamation for uniting the name of Canada.

Engineers were seriously injured on our reign, intituted, an Act for the Children of the state approaching Canada, Nova Scotia, and New Brunswick, and The fears entertained by some that the alteration the Government thereof, and for purposes connected therewith, after divers recitals, it is

Canada, Nova Scotia, and New Brunswick, and
the Government thereof, and for purposes conin the system of payment would injuriously af-A bill to establish County Courts is now before the Legislature of New Brunawick. It is fore the Legislature of New Brunawick is said receive a salary of \$2000 per anation, that on and after a day therein appointed, not being more than six months after the passing of this Act, the Provinces of Canada, is now fully as large as it ever was. At the same is now fully as large as it ever was. At the same of Canada, and on and after that day those three Provinces shall form and be one dominion under the name of Canada, and on and after that day those three Provinces shall form and be one dominion under that name accordingly," and it is thereby further enacted that would injuriously affect our circulation, have not been realized. We have lost no subscribers but those whose patromage could well be spared; we have gained many new subscribers; so that our circulation is now fully as large as it ever was. At the same in time it is only proper to say that our losses by unpaid arrears will be heavy beyond our worst apprehensions. Many had not paid a dollar for each of the Majesty's most honourable privy council, to declare, by proclamation, that on and after the Advice of her Majesty's most honourable privy council, to declare, by proclamation, that on and after a day therein appoint many new subscribers; so that our circulation, have not been realized. We have lost no subscribers but those whose patromage could well be spared; we have lost no subscribers but those whose patromage could well be spared; we have lost no subscribers but those whose there is proclamation, that on and after a day therein appoint many new subscribers is the two two subscribers but those whose patromage could well be spared; we have lost been very cold, and much grain will be sown that were the sason. This is very discourlate in the Senate as the Queen by warrant, under her usually high price of from three pounds ten dissipations to four pounds per barrel, and that very shillings to four pounds per barrel, and that very shillings to four pounds per barrel, and that very and their names shall be inserted in the Queen's Proclamation of Union: We, there-we without the means of procuring it.

This is very discourlated that such "persons shall be first summoned to the Senate as the Queen by warrant, under her reason for non-payment has been want of ability reason for non-payment has been want of ability reason for non-payment has been want of ability rather than want of principle. Some in their anxiety to have the paper continued have struggled to meet our terms, and by partial payment pattern and material at many are without the means of procuring it. The lowlying interval lands of the neighboring provinces are, in many places, still under water, and will not, for some time to come, be in a state fit for cultivation. The lumber markets are depressed; little or no shipbuilding is being carried on, and money is very scarce. We must, carried on, and money is very scarce. We must, carried on, and times during the summer.

MONTREAL, May 30th.—Military authorities here have received information that field artillarly will be sent to arm the forces in Canada; where have only in the persons of whem we have by circulation; and the present time is opportune only in the persons. The trade sales in this city are largely attended fit to approve as the persons who shall be first for sending us large additions to our List of

Cleanse the Blood. VITH corrupt or tainted Blood you are sick all over. It may burst out in Pimples or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sergerville ourges out these impurities: it expels Sarsaparilla purges out these impurities; it expels discase and restores health and stimulates the or-gans of life into vigorous action. Hence is a pidly gans of life into vigorous action. Heace it sandly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimpies, Blotches, Boils, St. Anthony's Fire, Rose or Erysipolas, Tettor or Salt Rheum. Scald Head, Ring, Worm, Cancer or Cancerous Tumors, Sore Eyes, Females Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also, Syphilis, or Venereal Diseases, Liver Complaints, and Heart Diseases. Try AYER'S SARSAPARILLA, an see for yourself the surprising activity with whic see for yourself the surprising activity with whic it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Ex tract of Sarsaparilla, for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any Sarsaparilla, but often no cura tive ingredient whatever. Hence, bitter disappoint ment has followed the use of the various Extract of Sarsaparilla which flood the market, until the Jas R. Hart, John A. McInnis \$5, Rev H. Mc-Keown, (B.R., \$20.) Rev A. E. LePage, (B.R., \$10.46.) P.W., \$3.50—\$13.96. Included in this and former paymt. Wm Ayles, Senr., \$2.50,
