Downweight is a Thief

Stealing Your Profits
Every Time You Use
Your Scales. . . .

The Toledo Springless, Automatic, Computing Scale, "The Scale with Brains," is the only scale in the world that positively stops the giving of **DOWNWEIGHT**. It is the only Automatic Computing Scale in the world without springs. No hand operation in weighing; no prices to set; no levers to move; no weights to lift; no poises to shift; you simply place the article to be weighed on the scale, and the scale instantly and automatically shows in plain figures:

1. The weight of the article in pounds and ounces.

2. The price per pound.

3. The total value of the article in dollar and cents.

It is a mechanical wonder, marvelous in its Simplicity, Sensitiveness, Accuracy and Rapidity of Operation. Made in many styles and sizes for all kinds of stores. Write to-day for illustrated catalogue.

Popular Opinion.

It won't pay you to go against Popular Opinion. He's the largest buyer of cigars on earth, and when Popular Opinion says a thing is "right," he's going to get that thing every time he wants it. He has picked out

MARGUERITE CIGARS . . .

as being the best three-for-a-quarter smokes in Canada, and if he can't get them from you, he'll slip in somewhere else and get 'em. They have the largest sale of any cigar in the Dominion, and it's all on account of Popular Opinion—and quality of course.

GEO. E. TUCKETT & SON CO., Limited, HAMILTON.
