They died, they admitted that it was their boat, which had torpedoed the Arabic. Lieut. Schneider went down with his submarine.

Subsequent salvage operations resulted in the recovery of parts of the U-27 wreckage.

NEW YORK, March 6.—The British government is in possession of evidence, which has caused it to brand as knowingly false, the official memorandum, in which Germany sought to justify the torpedoing of the White Star Line Arabic on August 19th last.

The German statement declared the submarine commander of the U-27 reported the Arabic had attempted to ram the submarine.

The British government now makes the unqualified statement that the submarine which sunk the Arabic was the U-27 commanded by Lt. Schneider, as stated in the memorandum, but after the Arabic was torpedoed, a British naval patrol boat overhauled the submarine and destroyed it.
