## FOR 1915 COPPER

CHARLES A. STONEHAM AND COMPANY announce a new publication in their series of PROTECTIVE PUBLICITY, entitled "COPPER."

The new booklet contains a wealth of vital and valuable information, on this subject. It comprises sixty pages, divided into five parts.

Part I. contains the history of Copper Metal, the part now being played by American Miners in the West, production and demand, together with a forecast of the future of the red metal.

Part II. is devoted to Copper Securities, the history of the share markets and the present relationship of securities prices to the new conditions in the metal.

Part III. contains Copper Statistics of incalculable value to the investor and speculator, showing production and consumption figures, price ranges, dividends, etc.

Part IV. represents an analysis of thirty-five Copper Companies, giving capitalization, funded debt, officers, dominant interests, property location and acreage, ore reserves, costs, annual output, and at the end of each Company statement the Company analysis is appended a table showing earnings per share with each variation of 1 cent per pound in the price of Copper Metal.

Part V. gives instructions for trading in Copper Securities, together with a brief description of the business of CHARLES A. STONEHAM AND COMPANY.

The booklet is handsomely and attractively printed in two colors, bound in Copper colored covers, and is a de luxe edition.

A copy of this booklet will be sent without any charge whatsoever. The edition is limited because of the great expense incurred in its preparation, and we suggest requests for copies be filed as early as possible.

## ONONDAGA COUNCIL

Onondaga, May 10.—The council met in Town Hall pursuant to adjournment. All the members present.

A communication was read from the clerk of Brantford Township, asking for a committee to meet their committee on town line near Taws' Corner, to inspect some bridges. The Reeve and Councillors Rose and Van Sickle were appointed to meet them on Friday, May 14th.

James Fair interviewed council and made affidavit that he had one sheep killed by dogs, value \$2.50, and claiming two thirds value. His claim was allowed.

On account of a report that Robert Hallan was willing to take a money consideration in lieu of bridge that was to be placed, the Reeve and Councillors McBlane, Van Sickle and T. Walker were appointed to interview him at once. Council adjourned until committee returned. Council resuming, the committee reported that they had offered Mr. Allan \$2,500 in lieu of bridge, terms \$1,500 cash, and balance on Dec. 15, 1915, he to take all responsibility in regard to a claim Mr. Knox had to a piece of land on south side of the creek. Mr. Allan wished a day to consider.

The report was adopted, and the Reeve was authorized to consult a solicitor in regard to legality of proceedings, and if satisfactory, agree to interview Mr. Allan for his decision. If Mr. Allan decides to take the \$2,500 in lieu of bridge, and also assuming Knox's claim, then the Reeve was to take the same to the bridge Co. and cancel bridge tender.

The decision regarding contract for cement abutment was deferred to the special meeting of council on May 19th, p.m.

Onondaga, May 19.—A full council met again in Town Hall to hear the reports from the different committees. The report of the Reeve, which was adopted, was that he had consulted a solicitor in regard to the giving of money in lieu of bridge, and he pronounced it legal, after which he interviewed Mr. Allan, who was perfectly willing to close the deal. The necessary papers were drawn up, signed sealed and delivered to the effect that Mr. Allan was to receive \$2,500, \$1,500 to be paid forthwith and balance on December 15th, 1915. Mr. Allan having bought Mr. Knox's claim assumes all responsibility and clears the Township from any further liability in regard to building a bridge. Mr. Allan also buys the old roadway at \$75 per acre. The Reeve also cancelled bridge tender.

The committee appointed to meet the Brantford Township committee, reported that in regard to the two bridges, it was decided to build one bridge, 22 feet in length over all, of reinforced concrete, and one bridge as a 6 foot concrete arch. Tenders to be issued by the Onondaga council.

The road committee in Div. 2, report the need of one 6 ft. concrete arch on road No. 23. The reports of the two committees were accepted for the construction of the above work. Tenders to be asked for immediately at so much per cubic yard. Contractor to furnish all material, except reinforcing, showing and labor. Concrete to be 1 cement, 2 sand and 4 crushed stone. Plans are to be seen at A. B. Rose, Cainsville. Tenders to be opened on June 7th.

The road committee of Div. 1 reported favorably as to the draining part of beat No. 2 in the middle of the road, a distance of 2,400 feet with 3-in. tile. Tile to be buried 3 feet and covered with earth to within 6 inches of top of ground and finished with 2 inches of crushed stone. Estimated cost, \$180. The report was adopted.

The parties on said road have agreed to draw the tile and crushed stone, and place the latter on top of drain. Mr. J. Hunter made affidavit that he had 1 sheep killed and two injured by dogs, and claiming two thirds value. Valuation was \$15. His claim was allowed.

The following accounts were paid, namely: J. Fair, two thirds value of sheep, \$8; J. E. Walker, fare and expense to Sarnia, \$8; R. H. Allan, part payment \$1,500, and T. Hunter, two thirds value of sheep, \$100.

The council adjourned to meet in Middleport on June 7th at 1:30 p.m. Court of Revision to be held at 2:30 p.m.
