

## TRUSTEES OF THE BOARD.

An Important Meeting Held Saturday Night.

President Fulda Announces Appointment of Standing Committees—Subscription Committee Named.

The trustees of the Dawson Board of Trade held a regular meeting Saturday evening, Thos. McMullen being temporary chairman.

On motion, Falcon Joslyn was elected permanent chairman of the board of trustees.

President Fulda of the full Board of Trade, announced the following regular and standing committees:

Health and Sanitation—H. W. Yemans, Richard Guilds, J. S. Cunningham.

On motion the appointments were confirmed and approved.

Report of the committee on mines and mining was read and approved, the report being the late Senkler interview.

A motion was submitted by Thos. McMullen that the chairman appoint a committee of three to whom shall be referred the Chute resolution and to consider whether they shall present a new resolution or this one as it is; and to suggest a plan for raising the amount, \$50,000, and recommend its disposition and report to this board. The motion prevailed and Messrs. McMullen, Lancaster and Reichenback were named as the committee.

A letter from J. A. Clarke and a recommendation to the Yukon council were referred to the committee on legislation and municipal affairs.

It was decided to recommend to the general board that a committee be appointed to take steps to properly receive and entertain the governor general of Canada, Lord Minto, on his coming visit to our city.

The secretary was instructed to address a letter to Mayor Emile Quarre, of Eagle City, to be present at the next meeting and to extend to him a welcome to all meetings of the board.

The trustees adjourned to meet Tuesday night, July 24th.

**Would Lessen Our Population.**

Having failed to get action through the Yukon council regarding the suppression of gambling and dance halls, it is reported that the ministerial element of Dawson is now getting up a list which will contain the names of all the gamblers, dance hall proprietors and inmates and all the scarlet women of the town. This list, it is said, is to be forwarded to Ottawa with an urgent request that every person whose name appears thereon be ordered to "move on." If the Yukon desires to make a showing in its census to be taken next spring such an order issued before that time would tend to relieve the enumerators of a large amount of work. In the meantime, those who dance are selecting partners for the next set.

**Are Well Pleased.**

Every attorney in Dawson who has had business in the territorial court before Hon. Justice Craig, the new appointee, express himself as delighted with the manner in which the distinguished gentleman conducts his court, and the lucid and clear manner in which his rulings are made. The universal opinion is that Judge Craig is the right man in the right place.

**Dinner to T. B. Millard.**

The dinner given F. B. Millard Saturday evening at the McDonald was a most enjoyable affair, and, as the guest said at the close of the evening, added not the least to his many pleasant experiences and surprises since arriving in Dawson, which struck him, as it does every observing visitor from the outside, as being a very modern city compared to what they expected to find.

Those present were: F. B. Millard, F. C. Wade, Mrs. Truesdale, Miss Glenn, Thos. Cunningham, Thos. McGowan, E. J. White, Sam Wall and Al. Smith.

**Scientific Party.**

Dr. J. P. Kimball, of New York, and Briar A. Wood, of Sumner, Wash., arrived last night on the steamer Bailey, having started from Whitehorse on the ill-fated Florence S., which was wrecked on Thirtymile. Dr. Kimball came to Alaska on a scientific expedition and brought Mr. Wood with him, the latter being a civil and mining engineer of more than ordinary attainment. Their visit to Dawson is something of a side issue, but, barring their experience in Thirtymile, is proving a very pleasant and instructive one. They will make an extensive tour of the creeks before leaving for the outside.

**Crosier-Riley.**  
On July 17th, in this city, Rev. A. E. Hetherington united in marriage Mr. W. V. Crosier, of Dawson, and Miss Nora Riley, who lately arrived from Kingston, Wash.

**A Sad Case.**  
Herbert Brooks who occupied a cabin on the hill near the police cemetery, was reported to the police yesterday as being very sick. Sergeant Wilson investigated the matter and found Brooks suffering from a very high fever. The unfortunate man had been sick and alone for four days, and could not have survived much longer without assistance. He was at once taken to St. Mary's hospital where all possible care is being given him. He was yet very sick this morning.

**POLICE COURT NEWS.**

It was a short session of the police court held by Inspector Rutledge this morning, and the fact that the session was short speaks well for the observance of the holy Sabbath in Dawson.

Frank Brandville was the only prisoner in court. Frank is evidently of a selfish disposition as he had made an effort to absorb all the slumber brand of hootch in Dawson. How nearly he succeeded can not be ascertained until stock is taken, but he succeeded in reaching the comatose state which prompted him to woo "balmy" on the sidewalk, and so sound was his sleep that it was necessary to convey him to the guardhouse in a wagon. He pleaded guilty this morning and was assessed \$5 and costs, also \$2 for livery hire; total, \$12.50.

John C. Lilly who was charged with having violated the transient trader ordinance, was dismissed, it appearing to the court that the business of selling goods from scows in wholesale lots does not constitute an offense against the ordinance.
