I WANT YOU!

"I want you," said a rich parvenu to an artist, "to paint my wife's portrait."
"Certainly!" If the lady will arrange for the sittings, I will place myself at her disposal.
"When can you begin?"
"Any time. I will get my canvas at once."
"Pardon me! You said 'any time'?"
"Yes."
"You do not know who I am! I am a man of wealth, and money is no object. I can afford to pay for something better than canvas for my wife's picture, sir!"

IMPORTANT NOTICE.

Hitherto we have given all subscribers the benefit of our cash-in-advance rate of 81 per cent, though all have not paid in advance. On the first of March next we shall establish and hold strictly enforce the rule that all subscriptions three months or more in arrears shall be charged at the rate of 81 1/2 per cent. Delinquents should remember this, and settle before March 1st, thus securing the cash-in-advance rate.

Special objection to Mr. Jones' appointment to the position in case of a vacancy, it seems rather hard for the taxpayers to have to provide not only for Mr. Jones' salary, but also a retiring allowance for the old incumbent. With the exception of the Municipal Council department we are of the opinion that the work was not so severe but that Mr. Easton could have performed the duties for many years yet, but we suppose that Mr. Jones had to be provided for in some matter how it crosses the taxes.

F. WILTSE.
BIG RUSH TO PHIL WILTSE'S BARGAIN STORE. BROWN AND STEWART.

By a letter received from Jas. Greer, of "The Outlook," we learn that he has decided to build a new excursion steamer to run on Charleston Lake, to take the place of the "Lily Nicholson." The new boat will be larger than the old one, and will be put on the stocks at once and finished in time to run her first excursion on the 24th of May. Mr. Greer deserves, and no doubt will receive, the liberal patronage which his pluck and general quality of his business has won for him.

The meeting held last week, for the purpose of holding a musical society, was attended by over thirty of our music loving citizens. The assembly was called to order by A. James, who was voted to the chair, when it was decided to organize an association of the members of the Farmersville Choral Society. D. F. Fisher was elected president; Percy Brown, secretary; Miss Nellie Blanchard, treasurer; H. Oaten, leader; and J. J. Connel, organist. Three other named officers, with T. M. Porter and Mrs. Cornell, form the executive committee. The Society meets for rehearsal every Tuesday evening, at 8 o'clock, in the lecture room of the Methodist Church.

Everything points to a lively time on and around Charleston Lake during the coming season. Quite a number of islands near the outlet have been sold during the winter, upon which cottages will be erected during the coming summer. At the outlet four new buildings are in course of erection, and Mr. Greer's new steamer will be built, and fitted up there, which will give employment to a number of mechanics. At Charleston, Justus Smith, the veteran organist, will make quite an addition to his already large fleet of row boats, and there is a very strong probability that a couple of steam pleasure yachts will be put on the lake by Mr. W. G. Farish, of this city.

Edwin Howe, near Sheldon's School House, will sell by public auction on Tuesday, March 6th, his farm stock including a horse, cows, sheep, hay, a Massey mower, household furniture, etc.

The report of the meeting of Roar Yunge and Escott Council, in our last issue, was written by our special reporter, not by the township clerk, who is therefore in no way responsible for any statements or comments contained in it.

In our last issue a typographical error was made in our report of the Municipal Council meeting. In the paragraph relating to the introduction of a by-law to raise money to repair the town hall, the figures \$7,000 should read \$3,000.

Mr. M. Halladay will sell the whole of his farming stock, including a cow, by auction on Tuesday, March 13th. Mr. Halladay has secured the general agency for the Ontario Mutual Life Assurance Co., and will move into the village this week.

Rev. James Puller will deliver the fourth lecture in the course of "Science in the Garden of Eden," on Sabbath evening next at 7 o'clock, at St. Paul's Church. Subject: "The Serpent in the Garden—Whence he came—What he sought—How he prevailed."

The court of justice at Toronto has decided that Judge McDonald could legally convict the prisoner Rylands for the burning of Leeson's barn, on corroborative evidence offered, and they further find that Rylands had been legally convicted. Rylands will be brought up before Judge McDonald for sentence, on the 8th of March, at which time the other charges against him will be proceeded with.

Our readers will be pleased to learn of the rapid progress which the Institute is making. The evening classes have been established under most favorable auspices. Three lessons more have already been given and two more will be given this week. The Directors met on the 14th inst., and authorized the purchase of \$400 worth of books immediately, for a circulating library. A committee was appointed to select the books. This committee will be glad to receive any suggestions, through their secretary Geo. W. Greer, as to desirable books for the library, from anyone interested in the welfare of the Institute. Mr. S. Blanchard was authorized to canvass the municipality and receive subscriptions of membership. Terms: One dollar per year.

The directors of the Unionville Fair will meet for the revision of the prize list, on Wednesday, Feb. 29th, at 1 p.m. Any member of the society having any changes or additions to the prize list to suggest, should send the same to the secretary, before that date, or attend personally. Any suggestions from any source will receive careful consideration. We hope to see a full attendance of all those interested, whether they be officers or members.

The end has been reached at last and Mr. W. H. Jones has received the reward of his long and faithful services to the Conservative Party. A despatch from Ottawa conveys the information that Mr. Geo. Easton, who for many years has filled the position of Collector of Customs at the port of Brockville, will be superannuated on the 1st of March, and Mr. Jones will then enter upon the duties of collector in his stead. While we have no particular objection to Mr. Jones' appointment to the position in case of a vacancy, it seems rather hard for the taxpayers to have to provide not only for Mr. Jones' salary, but also a retiring allowance for the old incumbent. With the exception of the Municipal Council department we are of the opinion that the work was not so severe but that Mr. Easton could have performed the duties for many years yet, but we suppose that Mr. Jones had to be provided for in some matter how it crosses the taxes.
