THE RESTLESS SEX

Robert W. Chambers's great new novel in Cosmopolitan is making a hit. Everyone is talking about it. If you haven't started "The Restless Sex," begin with the second instalment in August Cosmopolitan.

You will find the story of Stephenic Quest one of the most absorbing novels you have ever read. It is one of Mr. Chambers's best works.

It is not a novel of ingenious plot construction but it is a great narrative of a girl's struggle against man-made conventions.

Get August Cosmopolitan to-day. It is full of great stories and great pictures by the foremost writers and artists of to-day.
