6 LIVES LOST IN MINE

Men Holding Responsible Positions Took the Chances.

Went in to investigate Burning Mine of the Pittsburgh and Westmoreland Coal Co. of Pennsylvania—Water, Turned on Two Weeks Ago, Failed to Quench Fire, and There Was a Deadly Explosion.

Pittsburg, Pa., Oct. 30.—Five officials of the Pittsburgh & Westmoreland Coal Co. gave up their lives yesterday when they entered the Hazelkirk mine, No. 1, of the company at Hazelkirk, Pa., eighteen miles east of this city, to ascertain if a portion of the mine was still burning as a result of an explosion two weeks ago. The dead are:

John Hornical, superintendent; Daniel Griffith, foreman; Joseph Hunter, John Lavry and Henry Oayborne, fire bosses. All are married, with large families, and were men of considerable means.

Two weeks ago an explosion in the mine caused the death of two men. The entry in which the explosion occurred was closed up and water turned on. Instead of sending miners to investigate and see if the fire had been extinguished, it was decided that if any risk was to be taken those holding responsible positions should take chances.

As the five men approached the portion of the mine which is burning they became aware that the water had not extinguished the blaze and decided to tear down the bulkhead erected to confine the fire to one entry of the mine. Just as the covering was removed there was a terrific explosion and the five men were blown in different ways, all being instantly killed.

Andrew Roder, who was some distance behind the unfortunate men, escaped instant death, but was so badly burned that he died three or four hours later. He reached the bottom of the shaft, gave the alarm, and when the rescuers found the unfortunate men all were dead. The mine is now burning, but no miners are entombed.

John Hornical was one of the original owners of the Hazelkirk Mine, Nos. 1 and 2, and is reported to have received nearly a million dollars for his holdings at the time the corporation was formed.

Two Fatally Scalded.
Sydney, N. S., Oct. 30.—The Government cable steamer Tyrlian, Capt. O'Leary, arrived in port Saturday night with the news of a fatal explosion that occurred on board while off Cape North early Saturday morning.

The Tyrlian left North Sydney late Friday night to complete repairs to the Magdalen Island cable. About 7 o'clock Saturday morning a plug in the boiler tubes blew out. Fireman Patrick Purcell and trimmer Patrick McGrath were cleaning out the fire and were horribly scalded. O'Leary headed the steamer for Sydney at full speed to secure medical aid, but Purcell succumbed as the steamer was docking, and McGrath died shortly afterwards. Both men belonged to Halifax.

Killed By a Cave-In.
Toronto, Oct. 30.—Robert Brown, slow, aged 21, was killed late Saturday afternoon by a cave-in at Wagstaff's brick yards, Greenwood avenue.

WRECKAGE OF THE KALYUGA.

Mute Evidence of Steamer's Destruction In Big Storm.

Southampton, Oct. 30.—Capt. Lambert, lightkeeper at Chantry Island, reports finding some pieces of deck plank, pieces of cabin, part of a name board, broken both ends, with the large letters "U G" on it. The fish tugs, John Logie and Frank C. McAulay also brought in parts of an upper deck and upper works.

This wreckage is thought to be from the missing steamer Kalyuga, lost in last week's gale.

Wm. Flynn also picked up, on shore three miles north of here, two life preservers, marked Kalyuga.

The schooner Katchab, lumber laden, which was blown ashore here in the same gale, was released and left yesterday in tow.

Victim of the Storm.
Kinross, Oct. 30.—The body of a sailor was found on the shore yesterday morning three miles south of here. On the body was a vest pocket memorandum book, with the name Charles J. Beaupre, Tilbury, Ont., on the identification page. Two letters in pencil had been made, one reading: "Dear father, good-bye. I have a bank book in the Cleveland Society for Savings." The other read: "Good-bye, mother, dear sister, and brother. A kiss for all." After the word brother four crosses had been made.

CENSURE THE COMMISSIONERS.

Coroner's Jury Declares Lives Were Lost Partly Through Neglect.

Ottawa, Oct. 30.—The coroner's jury in the case of Philip Pitard and Steven Lalonde of Cornwall, who were killed at Ironside by being struck by a C. P. R. engine, brought in a verdict censuring the Transcontinental Railway Commissioners for not exercising sufficient care in providing for the transportation of its men.

The men were going up the Gattineau to work on the new railway, and were two of a gang of twelve. The conductor put them off because there was not enough tickets to go around.

FAST GAME

Football Contest Between Chatham and Darrell on Tecumseh Park on Saturday

A very interesting and exciting game of football was played on the Tecumseh Park last Saturday evening between Darrell and Chatham, and, in spite of the cold weather, there was a large attendance.

Hard, clean football was the rule, and the spectators who saw the game agreed that it was one of the finest they ever witnessed.

The game started at 4.30, opening with a few scrimmages, in which the Darrell men had the upper hand, but the condition of things soon changed when the Chatham boys got a little warmed up, and in the latter part of the first half a goal was scored by Johnson in Chatham's favor.

In the opening of the second half the game still continued in favor of the Chatham boys, but near the last a desperate struggle was fought in front of the home goal, and the referee called off Courtney's foul and the score was tied. The last few minutes of the game was closely contested, but no more scoring resulted.

Both teams were on their mettle throughout the game and played good ball. Referee Anderson gave entire satisfaction to both sides.

The teams lined up as follows:—

DARRELL.

Goal—Jinks.

Backs—Langford and Peck.

Halves—Fisher, Gregory and Rieborough.

Forwards—Pugh, French, Abram, Benny and Jinks.

CHATHAM.

Goal—Jones.

Backs—Courtney and Johnson.

Halves—McIntyre, Johnson and Veltch.

Forwards—Martin, P. Parrott, Kelly, Ray and L. Parrott.

AYLESWORTH FOR NORTH YORK.

New Postmaster-General and Not the Man Is Nominated.

Newmarket, Oct. 30.—The new Postmaster-General, rather than A. B. Aylesworth, K. C., was nominated by North York Liberals Saturday afternoon. The attendance was disappointingly small, so much so that several speakers commented on it, and ascribed it to various causes, other than the lack of enthusiasm among the rank and file of the party for an outsider.

When the meeting was called to order there were 40 persons in the hall by actual count, and later on a few more dropped in. H. W. Fleury presided. The useful expression of confidence in Sir Wilfrid Laurier and his Government was given in a resolution moved by H. S. Cane and seconded by F. Underhill. Regret was expressed regarding the retirement of Sir William Mulock, and given formal effect in a resolution moved by C. E. Lundy.

The clerk then called for nominations, and the following were proposed: A. B. Aylesworth, H. S. Cane, J. Davidson, E. J. Davis, C. E. Fleury, H. W. Fleury, L. E. Gibbons, L. L. Hartman, W. K. Ward, R. D. Moorehead, C. E. Lundy, T. J. Robertson, S. W. Underhill, and W. C. Widdifield.

All the names were withdrawn except that of Mr. Aylesworth. The meeting was then asked to endorse the candidature of Mr. Aylesworth. All but a few stood up. Afterwards the nomination was made unanimous.

The tenor of the speeches was eulogistic of the retiring Postmaster-General, and the views regarding the nomination of Mr. Aylesworth were favorable to him because of his being a Cabinet Minister.

JOINT CUSTOMS TERRITORY.

Universal Suffrage Also In Hungary's Program of Reform.

Budapest, Oct. 30.—Premier Fejervary has issued the Government's program of reforms. It provides for universal, secret and direct suffrage and the maintenance of the joint customs territory will be possible.

Baron Fejervary points out that the transfer of Hungarian officers to Hungarian regiments already has commenced. Commands will be given in the Hungarian language in all the regiments in which that language is understood and the military style of such regiments will be changed. The Government contemplates granting small farm holdings to farmers and converting the mortgage debt of small landed proprietors.

The program also includes provisions for compulsory workmen's insurance, taxation reforms and compulsory education.

Premier Fejervary announces that in the event of the program not obtaining a majority in the Diet, the Lower House will be dissolved and new elections ordered.

A GOOD IDEA

In the course of his admirable address at the Thanksgiving service at Holy Trinity church Thursday, Rev. Mr. Hodgins made a valuable suggestion. He urged that a special Sunday be set apart by the Government each year for Thanksgiving.

The following Monday to be utilized as a public holiday. It is a prevailing feeling that the spirit of the occasion is lost in our present Thanksgiving Day, which has become little more than an ordinary holiday.

ANOTHER RACE

This Time a Fat man from Kingsville is the Winner but the Loser will make up for it Election Day

There are many kinds of races, too numerous to mention—horse races, fat man's races, and many others—and there is a certain barber in town who claims he is qualified in the first three named at least.

In the first place he attended the horse races on Thanksgiving Day, but he hasn't been talking about it since, so he must have lost. Then, too, he claims that he has some notion of coming out for Mayor this year, and if he does, and Mayor Cowan is the only other one in the field, "there will be nothing left of George"—the Inches Avenue scrap will not be a circumstance, not even when Wilhelmy. Last of all he aspires some day to becoming a sprinter—and here hangs a tale.

Last Thursday evening there was a crowd around the Garner House, there—at least so our temperance friends tell us—so the fact that the crowd was still there causes no excitement. The excitement was brought on, however, when the barber mentioned that he would not admit that a certain man, Billy Wilson, of Kingsville, could beat him in a foot race. Wilson weighs over two hundred, while the barber is rather slight, and the onlookers fully expected to see the foreigner badly beaten.

Girard Heintzman Frank Bedford happened along. He measured out a few octaves, called it 50 yards, struck the chord, and the race commenced.

When Wilson crossed the line the barber had just nicely got the lather on and was rounding the first buoy. The loser, however, says he will make up for his defeat on election day, when Mayor Cowan will get the shave he never got from a barber.

INSURGENT LEADER KILLED.

United States Troops Finish Off a Bad Gang of Moros.

Manila, Oct. 30.—Troops under Capt. McCoy of the Third Cavalry, aide-de-camp to Major-General Wood, have surprised the Datto Ali, head of the Moros of the Island of Mindanao, who has been on the war path for some time past, and killed him, together with his son and ten followers.

Forty-three wounded Moros were taken prisoners and many arms and a large quantity of ammunition was captured.

Three enlisted men of the infantry were killed and two wounded during the engagement.

Heavy fighting is also reported between the constabulary and Moro insurgents near Lake Linguasan, Mindanao.

TO FRIGHTEN TURKEY.

Powers Will Make a Demonstration Against Asiatic Ports.

Vienna, Oct. 30.—It is announced that the powers have decided to make a demonstration against Turkey's Asiatic, but not her European, ports, in order to avoid the appearance of giving encouragement to the Macedonian insurgents, and that simultaneously a collective note will be presented to Turkey.

George Campbell Is Dead.

Millbrook, Oct. 30.—George Campbell, ex-M. P. for Durham, and ex-warden of the counties, passed away at his home near Millbrook yesterday, while lying on the lounge reading his paper. Although his heart was not strong, he had been up to the last attending to his usual farm duties. He was born in the county and lived in Cavan, where he had one of the best farms in the township.

He was in the Ontario Legislature for one term, giving his support to Hon. W. R. Meredith. He was a lifelong Conservative. He was treasurer of the Township of Cavan at the time of his death. Two sons, one daughter and his widow mourn his demise.

Demands An Investigation.

Brookville, Oct. 30.—D. B. Jones refuses to be retired from his job of Division Court clerk. His successor, Isaac J. Mansell, was gassetted several weeks ago. Mr. Jones holds that he cannot be dismissed under the act without investigation and an adverse report of the County Judge or Division Court Inspector.

He refused to give up the books of the office when Mr. Mansell made a demand on him, and there the matter stands.

For a Consumptive Sanitarium.

Hamilton, Oct. 30.—Collections in aid of the consumptive sanitarium were taken up in nearly all the churches yesterday. Returns are incomplete, but this was what some of the large congregations gave, including large subscriptions given previously by their wealthy members: Centenary, \$2,000; St. Paul's, \$2,600; Presbyterian, \$1,800; Christ Church Cathedral, \$2,250.

Stops Bernard Shaw's Play.

New York, Oct. 30.—George Bernard Shaw's play, "Mrs. Warren's Profession," produced for the first time in this country at the Hyperion Theatre, New Haven, Friday night, was stopped yesterday on the grounds of gross immorality.

Mayor Takes Vigorous Action to Banish Brothels in Chatham

Severe Penalties Meted Out at Police Court—Other Sad Cases

Geo. W. Cowan is sustaining the reputation he has won for himself as an "Acting Mayor" and his action last night showed that he is carrying his vigor into every department of civic work.

Several complaints have been made of late to Mayor Cowan in his capacity as Police Commissioner about a certain alleged disreputable house on Lacroix street. The complaints were laid before him by residents who are unfortunate enough to live near this house, and the Mayor deemed them worthy of investigation. He secured the services of Police Officers Groves and Deselma and Constable Merritt last night and a sudden and unexpected raid was made on the house in question.

The result of the raid was very satisfactory in that the complaints of the neighbors were borne out in fact, but it was rather unfortunate for the young men who were found on the premises. It was found that the house contained three women of questionable character and six young men, some of them sons of reputable citizens, and highly respected in the community.

Information was laid and the whole party appeared before Judge Houston this morning. The keeper of the house, Mrs. Annie Sterling, is a rather elderly woman. She came here from Detroit five weeks ago and claimed that she intended to leave Chatham this morning. One of the girls, May Collins, is somewhat younger and plain looking. She broke down before Mr. Houston this morning and pleaded for leniency on account of her little three-year-old daughter in Detroit, whom she had to support. Before she came to Chatham she was employed as a hotel cook. The other girl, Eva Murphy, is decidedly good looking and was becomingly dressed. She gave no outward signs of forwardness and appeared very uncomfortable in the Police Court dock. In answer to the Judge's charge, however, she replied "guilty" in a deep contralto voice, and faced the prospect of a six months' term in Toronto very coolly and indifferently, giving no sign of emotion either of sorrow or pleasure.

No witnesses were called as all three pleaded guilty. Annie Sterling was fined \$50, Eva Murphy \$30, and May Collins \$10. They were given one week to raise the fines and if the money is not forthcoming in that time they will be sent to Central Prison, Toronto.

The six young men were fined \$20 and costs, \$24 each in all.

"We sent a good many from Detroit to the Central Prison," remarked Judge Houston after dealing with the case. "I should think Detroit people would soon find out it is not wise to come to Chatham."

Legislator Ratcliffe was fined \$20 and costs for pulling a gun. The money was paid.

Jesse Clark, who was charged with the nonsupport of his wife, was discharged.

Mrs. Mary Ann Stevens, who was charged with being an inmate of Mrs. Marble's house on Queen street, was allowed to go on suspended sentence.

Mrs. Marble herself came up again and was practically given one week to get out of town. Mrs. Marble claimed she kept a good house and the Judge humorously remarked in that case she must be in a bad neighborhood. When she left the neighborhood.

Judge Houston seemed anything but sorry and replied that Chatham would have to do her best to get along without her.
