

**THE ACADIAN.**

WOLFVILLE, N. S., OCT. 29, 1909.

We understand that the civic authorities are finding it difficult to finance the affairs of the town, owing to the tardiness with which the taxes for the current year are being paid in. The town is obliged to carry a large overdraft at the bank, while if the taxes due were promptly paid there would be plenty of money to meet every obligation, and a large saving in bank interest would be effected. It is hoped that citizens generally will see it to be in their interest to pay these obligations promptly and save unnecessary trials on the part of those who are gratuitously giving their services to looking after the town government.

Kings county lost one of its oldest and most esteemed citizens on Monday in the death of Mr. T. Harding Parker, of Berwick. Mr. Parker was a son of the late Abel Parker, who was one of the early pioneers in this section of the county and was eighty-two years of age. Mr. Parker was a leading horticulturist and was the owner of Maplewood fruit farm. He was one of the wealthiest men in the community. In religion he was a Baptist, and in politics he was a staunch conservative. He had only been confined to the house about ten days. He leaves a daughter, Ida, who kept house for him, and a son, S. Chipman Parker, who is secretary of the Nova Scotia Fruit Growers' association; also a sister, Mrs. Schaffer, of Nictaux. His wife, who was a daughter of the late Samuel Chipman, of Nictaux, predeceased him about four years ago, and a son, Aubrey V., a year ago.

One of the most interesting features of the late sensational libel trial at Kentville was the brilliant work of the counsel for the defence, Mr. J. J. Ritchie, K. C., of Halifax. His argument of points of evidence, his clever cross-examination of witnesses and his brilliant address to the jury reached a plane considerably above anything seen in this county for a long time. We are informed by a member of the Massachusetts bar who attended the trial that Mr. Ritchie would easily take rank with the very ablest advocates of New England. While attending court at Kentville, Mr. Ritchie was offered a nomination for the local legislature by the liberal conservative convention of Halifax, and every effort is being made to induce him to accept. This is not remarkable as his candidature would greatly strengthen the conservative line-up and give assurance that in the event of a change of government, the portfolio of attorney-general would be conspicuously ably filled.

**'The Soul's Awakening.'**

The new premium picture given to all subscribers to the Family Herald and Weekly Star, of Montreal, is certainly a beauty. Never in the history of newspapers has there been such enthusiasm over a premium as 'The Soul's Awakening' has created during the past two weeks. Almost every newspaper in Canada has published most flattering tributes to The Family Herald's enterprise. Clergymen of all denominations have written thanking the publishers for giving the people of Canada an opportunity to possess such a picture. Every mail brings scores of letters from parents, fathers and mothers, expressing their sincere gratitude for furnishing the home with such an elevating influence. School inspectors have written suggesting that every school room in Canada should have a copy of 'The Soul's Awakening,' believing that it will have a powerful, though silent, influence on the minds of the children. The Family Herald and Weekly Star alone is big value at one dollar, but with this picture is limited and there is a big rush of subscriptions. No one should miss it.

An event which will be of much interest to many throughout the province is the marriage of Miss Georgia Hales, daughter of Mr. and Mrs. Charles A. Heales, Cornwallis, to Gerald Alexander Van Dorsser, of Winnipeg, only son of Mr. and Mrs. A. C. Van Dorsser, of Holland, which was celebrated at Winnipeg on October 17th. Miss Heales was one of Kings county's most popular and accomplished young ladies, a graduate of Acadia in the class of '01, and made a success of her profession as nurse. Mr. Van Dorsser is a graduate of Dordrecht University, Holland, and one of Winnipeg's prominent brokers.

The Social and Benevolent Society of the Wolfville Baptist church is arranging a course of three entertainments to be given during the winter. The entertainments will be of a high order, and will include a ladies' string quartette, of Boston, an illustrated lecture by Dr. Grant, of Boston, on 'Art and Ruins in Rome,' and a mixed quartette and reader, to be given in the order named. The first will be given on Friday evening, Dec. 10th, in College Hall.

The Acadia Amateur Athletic Association have issued invitations for an 'At Home' to be given in College Hall next Tuesday evening in honor of the University of New Brunswick Football Team which plays here on that day.

Mr. W. W. Hubbard, Secretary of Agriculture for New Brunswick, states that fifty per cent of the potato crop of that province is ruined by rot, caused by the wet and warm weather of the late fall season. The general crop was much larger than that of the previous year in New Brunswick.
