Fifteen Years of Agony

"Fruit-a-tives" Promptly Cured Him After Doctors Had Failed To Give Relief.

CHARLES BARRETT, Esq.

Harbor au Bouche,
Antigonish Co., N.S., March 24, 1909.

"I wish to express my sincere appreciation of the great benefit I received from taking "Fruit-a-tives." I suffered from Biliousness and Dyspepsia for fifteen years and I consulted physicians and took many kinds of ordinary medicine, but got no relief. I was in miserable health all the time and nothing did me any good. I read the testimonial of Archibald McKechnie, of Ottawa, and I decided to try "Fruit-a-tives." I have taken a number of boxes of "Fruit-a-tives," but before I had taken one box I felt better and now am entirely well.

"I am thankful to be well after fifteen years suffering, and I am willing to have this statement published for the sake of other sufferers, and to them I strongly recommend "Fruit-a-tives."

(Signed) CHARLES BARRETT.

HEAR WHY WE SPEAK FOR Zam-Buk

THE GREAT HERBAL BALM

INJURED FOOT CURED.

"I speak for Zam-Buk because it cured me of a terribly bad foot," says Mrs. Alice Berryman of 190 John St. North, Hamilton. She adds: "The injury was caused by a wagon wheel, and the sore was on my right foot. It became very inflamed and swollen and so painful that I fainted away. In spite of treatment, the wound got no better and the foot became more and more swollen until it was several times its usual size. The flesh was terribly bruised and blackened and it was quite impossible for me to walk. My husband's mother at last brought me a box of Zam-Buk. This was applied to the foot and it was surprising how soon I found relief from the severe pain. A further supply of Zam-Buk was obtained and I persevered in using it is balm alone. In a couple of days the swelling had gone down considerably, the discoloration was less distinct and the pain was banished. In four days I could go about as usual: the bruised and injured foot had been thoroughly cured by the timely use of Zam-Buk."

Did you ever ask yourself: "How is it that Zam-Buk is so popular?" It is because it is superior and different to other salves. Contrast them! Most salves are nine-tenths animal oil or fat. Zam-Buk hasn't a trace of animal fat in it. Most salves contain mineral coloring matter. Zam-Buk is absolutely without! Many salves contain poisonous astringents. Zam-Buk doesn't.

Zam-Buk is actually more powerfully antiseptic than crude carbolic acid. Yet it stops instead of causing pain and smarting when put on a wound.

It heals more quickly than any known substance, abscesses, ulcers, eczema, blood-poisoning, cuts, scalp sores, chaps and all skin injuries and diseases. All druggists and stores sell at 50c a box or Zam-Buk Co., Toronto, for price. Send 1c stamp for trial box.

POISONED FINGER HEALED.

Mrs. Frank St. Denis of 305 Thompson St., Winnipeg, speaks for Zam-Buk because it cured her of a poisoned finger, which had caused her days of agony. Hear her experience. She says:

"One morning, while washing, I felt a slight pain in the end of my finger. This gradually got more acute until by the evening of the next day the end of the finger had become swollen and hard and so blue I became alarmed.

"The pain from it was almost too much to bear. It made me turn quite sick! Poultices of first one kind and then another were applied, but seemed to give me no relief. My daughter-in-law, who had had some previous experience with Zam-Buk obtained a box for me. I anointed the sore place liberally with this balm, and in a few hours, the throbbing aching pains were subdued."

Further applications of Zam-Buk gave me more ease, so that I could get a little sleep. In a few days the nail came off, but after that Zam-Buk seemed to reduce the inflammation quickly. I continued its use until in the end it had brought about a complete cure.
