MADE TO SQUIRM BY ARRAIGNME

VOLUME V.

Manitoba's Attorney-General Charged With V.ndictive Pr secution of Liberals.

Winnipeg, March 10.—Little withat the Honorable Colin H. bell, attorney general of the vince of Manitoba, writhed ye in the Manitoba legislature ous mental contortions und scathing arraingment of the tion, an arraingment as comple it was damning, and unansweral was unanswered. Little w that the honorable gentleman sacked his drawers and pigeon for every letter, every documer shape or description, or new, false or true, that prol even a whisper of discredit aga his assailers. Nor was it a for astonishment that the atto general screamed at the judges of province of Manitoba and stre his waning ingenuity to heap them mud and filth. No more etic spectacle has ever been se the Manitoba Legislature than same Colin H. Campbell trying to his moral nakedness in desperate tests that he had served well his try and province, that his admin tion had been pure and holy and the high ideals with which he had tered upon his administration been maintained in all their lofting The charges of the opposition remained with all their overwhelr Not one of them was answ ed by the attorney general and t remain in all their moral ugliness the province to pass judgment u

Norris the Assailant. Leading off in support of his res tion, T. C. Norris, leader of the position, described first the vintive arrest of Valentine Winkler, present member for Rhineland, a a hollow charge against him had b dismissed by a magistrate in Mord Then was told the sordid story of G. H. MacDonald case, in which Manitoba Free Press charged ministers of the Roblin governm had been guilty of a hold-up Mr. Norris showed how a libel act against the editor of the Free Pr had been allowed to drop and how with an affidavit made by Mr. Donald, charging the minister the hold-up. The story of the Lac Bonnett telegram, signed "Colin Campbell,' was next told, and the torney general challenged to good his explanation that he had sent the telegram or to show that had even taken any steps to disco-the alleged forger. The malici-prosecution of U.-H. Ingram, Brandon, for a technicality, was a stated at length by Mr. Norris, made it clear that Mr. Ingram in ed upon the charge being tried at

ment endeavored to have it shelp No Convictions Made. In powerful language, Mr. No pressed home the damning fact not a single charge made by the torney general against Liberals alleged political offences had alleged political offences had led to a conviction. A whole do of other charges were preferred subsequent speakers. John Willia Arthur, showed how during the vot on a by-law at Brandon the bars been in full swing and that all tempts to secure prosecutions failed. J. A. Campbell, Daup exposed the partisan appointment commissioners and magistrates proceeded to marshall the facts of George W. Wood bucket shop, which a felony had been compoun Jonahsen, Gimli, had a story of rant intimidation and partisansh the attorney general's departmen constituency, and Thos. John Winnipeg west, gave the details the case in which a C.N.R. agent, n ed Caldor, who had pleaded guil misappropriating over \$800, and had been sentenced by a magis

the attorney general's dep

to five months' imprisonment, liberated within three days. Called to Order Twice. Replying to the attorney gene Mr. Norris made a plain statem that none of the charges had been He had expected that attorney general would twist squirm and blame the judges of province. His defence was a hu ation to the province. The s ment of the attorney general that Lac Du Bonnet telegram had a stolen was a falsehood. On b called to order, Mr. Norris said attorney general's statement was on being again called order he said, in a dramatic s that he would have to go outside House to say what he meant. During the evening session, the

ernment live stock bill to give onus of \$75,000 to any municipa which would erect a public abba was read a second time. In ans could only say that he hoped th ject would be gone on with du session. The debate on the bi notable for a slashing attack Winnipeg Telegraph by J. don, Conservative member fo series of articles which had re appeared in the Telegram conta false and scandalous statement Gordon denounced the editor Telegram for disloyalty, clai that he had helped the paper of critical period of his history.
