

BEAVER BOARD

The New Wall and Ceiling Material

BEAVER BOARD

It takes the place of lath, plaster and wall-paper in every type of building, new or remodeled.

It builds a new room inside the old one; turns cellar or attic into comfortable rooms in an incredibly short time; makes old outbuildings serviceable, etc.

It costs less than lath and plaster, looks better and lasts longer.

Made entirely of selected woods, reduced to fibrous form and pressed into panels of many convenient sizes, with beautiful pebbled surface.

Adapted to durable and handsome decoration in tinting, stencil work, hand-painting, etc.

Quickly and easily put up—full instructions in every bundle.

An Ideal DICTIONARY
For School Children.

The Royal English Dictionary,
Only 25c. a Copy.

This Dictionary has been issued to meet the necessities of the present day. In most of the smaller dictionaries now in use the definitions, as every teacher knows, are more difficult than the words they try to explain, and which require considerable scientific knowledge fully to understand.

In the Royal English Dictionary the meanings are given as far as possible in simple statements containing very few words, which even a child would require to look up.

The Grouping, Vocabulary and Pronunciations are such that the children can readily comprehend them. This book is already in use in some of the Colleges and Schools, and it is only necessary for the Master or Teacher to examine it to give it a whole-hearted recommendation. Shall we send or show you a copy? Remember the price, only 25 cents.

The Tale of Perfect Time in a Watch

From Mainspring to Hairspring, between them lies the secret.
The Mainspring is the power which it transmits to the active parts of the watch. The Hairspring has the control and regulates the motion. The fitting is most delicate; imagine a tooth part of a hair. Impossible just and yet it is enough to interfere in its performance, so wonderful is the adjustment. The friction from accumulating dirt; lack of oil, etc., destroy these perfect fittings. Do not let your watch run to ruin from neglect. Remember our business is the care of watches, and our opinion costs nothing.
