### Vive la France!

"France is Dying"—Hindenburg.  
If France is dying, she dies as day  
In the splendor of noon, sun-auro-  
red.  
If France is dying, then youth is gray  
And steel is soft and flame is cold  
France cannot die! France cannot  
die!  
If France is dying, she dies as love  
When a mother dreams of her child-  
to-be.  
If France is dying, then God above  
Died with His Son upon the Tree.  
France cannot die! France cannot  
die!  
If France is dying, true manhood dies,  
Freedom and justice, all golden  
things.  
If France is dying, then life were wise  
To borrow of death such immortal  
wings.  
France cannot die! France cannot  
die!  
—Richard Butler Glaenzer.
