Dispatches to the Evening Mercury.

BY ATLANTIC CABLE. The Rous states a free handicap of twenty sovereigns each, with 300 added for three year olds and upwards, was won by Mr. Beville's B.C. "King Victor," four year old. Betting was 8 to 1 against "King Victor." London, May 27.—"Blue Gown" won the Derby. Dispatches from Warsaw report that bands of Polish exiles, said to have been recruited in France, have appeared on the frontier of Galicia, and are making riotous demonstrations. It is believed that Langiewicz, the leader of the last Polish insurrection, is at the head of these bands.

American Despatches.

Washington, May 28.—Information has been received here that the Provisional Government of Crete has decided to convoke a regular Parliament. Elections are taking place in all parts of the island. Another battle took place on the 3rd inst., during which the Cretans drove the Turks from two block houses which they had built only recently for their entrenchment.

Richmond, May 27.—Official circles here were excited to-day by a street assault by Hon. James Sagar on Mr. Van Winkle, U. S. Marshal of this district. The fight was stopped by the mayor before serious damage was done.

Chicago, May 28.—The Illinois Central Railway Co. have declared a dividend of 8 per cent.

New York, May 28.—Tribune special says Senator Grimes, it is understood, intends to resign, and the probabilities are that his vote of yesterday for acquittal will be his last in U. S. Senate. The report that Speaker Colfax will take the stump after the adjournment of Congress is untrue. Gen. Grant has recommended that the Senate confirm the nomination of Gen. Schofield as Secretary of War. The World's special says Secretary Seward desires to resign, and the probability is that there will be other changes in the Cabinet. Suits are to be instituted against the Western Union Telegraph Co. for exposing telegrams to the Investigating Committee.

Washington, May 28.—It is understood that the Secretary of State still hopes to negotiate a satisfactory treaty with the British Government upon the rights of naturalized citizens.

THE EARTHQUAKE IN THE SANDWICH ISLANDS.—The terrible volcanic eruption which broke out in the Sandwich Islands on the 27th March, still continued up to the date of the latest intelligence received thence, about April 24th. The Islands were constantly shaken by terrible and continuous vibrations, and violent shocks were frequent. A great fissure had opened in the earth, from which lava poured down into the sea in one vast food, forming a promontory of volcanic matter extending a long distance into the sea.

MR. LANGEVIN A C. B.—The following appears in the London Gazette of May 12:—"The Queen has been graciously pleased to give orders for the appointment of Mr. Hector Louis Langevin, one of the delegates to the conference in this country on the subject of the confederation of the British North American Provinces, to be an ordinary member of the Civil Division of the third Class, or Commissions of the Most Honorable Order of the Bath."
