

Remember that the disposition of a child to ask a question is not a fault, but only an indication of his increased mental activity, and of his desire of availing himself of the only means within his reach of advancing his knowledge and of enlarging the scope of his intelligence.

Mr John Gillies, Reeve of Elderslie, has been made Warden of Bruce. This is the fourth time Mr. Gillies has been re-elected.

HAVING used Fellows' Compound Syrup Hypophosphites for some time, in my practice, I have no hesitation in recommending it to my patients who are suffering from General Debility, or any Disease of the Lungs, knowing that even in cases utterly hopeless, it affords relief.

H. G. ABY, M.D.
Many people, particularly children, suffer with the ear ache; and for the benefit of such, we give a sure but simple remedy. Put in two or three drops of Johnson's Anodyne Liniment, stop the ear with undressed wool, bathe the feet in warm water before going to bed, and keep the head warm at night.

CAPT. CHARLES SAGER, who keeps a superb stock of livery horses in Portland, Me., informed us recently that he uses Sheridan's Cavalry Condition Powders, regularly in his stables, and that the expense is more than offset by the diminished amount of grain necessary to keep his horses always in good order.

Many suffer rather than take nauseous medicines. All who suffer from coughs, colds, irritation of the bronchial tubes or tendency to consumption, will find in Dr. Wistar's Balsam of Wild Cherry a remedy as agreeable to the palate as effective in removing disease. The Balsam is a pleasant remedy; it is a safe remedy; it is a powerful remedy; it is a speedy remedy; it is a remedy that cures.

BREAKFAST—Epps' Cocoa—GRATEFUL and COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor bills.—Civil Service Gazette. Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homeopathic Chemists, London." Also, makers of Epps' Milky Cocoa (Cocoa and Condensed Milk).

Husband—You have great faith, Mary, in the Pain-Killer. The Parson's wife and Mrs. Judge Jones are very positive in favor of it, but I am inclined to think that if it did all it professes to do, sickness and death would soon be out of fashion, for it cures everything.

Wife—The Parson's wife and Mrs. Judge Jones are not the only ones that I have heard strictly recommend the Pain-Killer, everywhere I go they have it and everybody praises it, all the Linnets, Chasera Mixtres and Pain Medicines have disappeared since Perry Davis' agent came round. (To little George, does your tooth still ache, my dear?)

George—No, mother, Pain-Killer stopped it.

Wife to Husband—The Pain-Killer does not profess to cure everything either in the directions about the bottle or in the "Annual," I have read them carefully. It claims to be the best family medicine in existence. Perry Davis & Son do not say what it can do, but prove what it does say by giving certificates from reliable persons whose testimony cannot be doubted.

Husband—Do you think these certificates are bona fide, I believe they are made up to sell the goods.

Wife—Judge Jones was as incredulous as you till he wrote to Perry Davis & Son and was satisfied, they sent him a quite of certificates received from reliable parties within five miles of his own house.

Wife—The Pain-Killer is an internal and external remedy for internal pain, Cramps, Spasms, Sudden Colds and Rheumatism, a few drops in water will give immediate relief. As a liniment it is without an equal; it stops pain almost instantly. Be sure and get the genuine, made by Perry Davis & Son, and sold by Druggists and Grocers.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES

All life-endowed bodies, whether they be Beasts, Birds, Reptiles, Insects, or even Zoophytes, and subjects of the Vegetable Kingdom are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained, or the living body is in lead a boon to the world.

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This is substantially the basis on which FELLOWS' HYPOPHOSPHITE is built, its direct action is upon the Blood, the Brain and Nervous System, and the Muscles, Strengthening the Nerves, it causes the rapid distribution of vitalized Blood in the Muscular Organs of the Body.

Rousing the Stagnant Heart and Liver, Strengthening the Action of the Stomach and Bowels, and enabling the Lungs to be fully inflated with Oxygen.

It is adapted for all cases of Weakness and Excitation, whether arising from a Sedentary life, a tropical climate, from fever, or debility from any cause, and is efficacious in Pulmonary Consumption, many confirmed cases having been cured and all benefited, where its use has been continued over a fortnight.

In Bronchitis it is a specific, and in Asthma it gives relief where every other remedy fails.

For Nervous Debility, it stands unrivalled, and may be used with confidence in all cases.

As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to ask for Fellows' Syrup, and take no other.
