Mr. James I. Fellows, St. John, N.B.
—Sir. Having, while at your establishment, carefully examined your prescription, and the method of preparing your Compound Syrup, I felt anxious to give it a fair trial in my practice. For the last twelve months I have done so, and I find that in incipient consumption, and other diseases of the throat and lungs, it has done wonders. In restoring persons suffering from the effects of diptheria, and the cough following typhoid fever, prevalent in this region, it is the best remedial agent I have ever used. But for persons suffering from exhaustion of the powers of the brain and nervous system, from which so many young men suffer, I know of no better medicine for restoration to health than your Compound Sytion to health than your Compound Syrap. I remain, yours, etc.
