Bordorl on Bryant street for a chew of tobacco last night, and upon being refused, shot the latter in the stomach with an old army mus-Smith died shortly afterward, and Bowie has not yet been captured. Both are negroes, and Bowie was known as

BREACH OF PROMISE

Has to Pay \$250 for Refusing to Marry the Girl.

Belleville, Ont., Mary 12.-The large audience which greeted Chancellor Boyd when he opened the spring assizes here indicated that something nteresting was expected to transpire Many well-dressed ladies were among those present, and one very pretty girl occupied a prominent seat. She proved to be the plaintiff in a most amu breach of promise case. She was Miss Theda Wright, the belle of her ity. She was nicely dressed, had no esitation in telling her story, and exnibited a determination that carried er through. On the other hand, the efendant, James Wright, who had omised to marry her, was, accord ng to his evidence, between 37 and 40 He related a story which showed him to be a very mild style of man, that shouldn't venture far from home the company of girls who desire husday set for

Stealing Wheels.

\$250 damages.

Bicycle thieves are plentiful. It is pleasant to know that even if your wheel is stolen you'll get another free of charge. That is what a \$2 policy in the Dominion Burglary Guarantee Co. gives you. W. J. Hyman will yell you all about it.

Rocked Like a Boat.

Disastrous Results of Earth quakes in the Leeward Islands.

Scores of Lives Lost in Guadeloupe and & Montserat-A Church and Many Dwellings Wrecked.

New York, May 12 .- The Journal and Advertiser: "Earthquakes are shaking the Islands of Guadeloupe and Montserat of the Leeward group in the West Indies. The cable, a few days ago, reported that a number had been killed at Guadeloupe. Details were supplied arrived here yesterday (Tuesday) from Leeward Island ports. At Antigua, 40 miles from Guadeloupe, it was learned that the heaviest shock had occurred on April 29, when

being buried in the ruins of their In a brick church, a congregation of 200 people were caught by the collapse of the walls and 50 crushed to death. Those in the streets saw the houses sway back and forth, and the walls of brick structures crack.

50 negroes had been killed outright by

The report also said that 25 or 30 people had lost their lives at Point-A-Pitre. Twelve houses of brick in Guadeloupe had been demolished, and scores of others cracked and seamed by the shocks.

shocks.

From Antigua, the Madiana steamed to Montserat, arriving there on May 2. There, too, a state of terror existed. That town was rocked like a boat at sea on April 30. Six houses were destroyed, but no lives lost. The island, crowded with worshipers.

The inhabitants firmly believed that quakes, and that if they did not repent
