CRIMINAL DOCKET

FOR COUNTY COURT.

Half-Dozen Cases Will Come Up for Trial,
But None of Importance.

The criminal list for the county court
and general sessions of the peace, which
open on Tuesday, Dec. 10, does not
include any of striking seriousness.

The most important one is the case of Chief
John Henry, of Muncey, charged with
shooting and wounding Wm. Doxtater.

As Doxtater recovered, instead of dying,
quietly, as he was reported to have done,
the case probably will not excite much
interest. The other cases are: Mrs.

Annie Biggs, charged with stealing from
Samuel Charles, Muncey; Geo. E. Fisher,
charged with assaulting a fellow Indian,
Charles Miskomick; George Hanson,
charged with appropriating a coat be-
longing to R. E. Graham, of Ilderton,
and Squire W. T. Nugent, charged
with committing perjury by swearing falsely
to property qualifications. There is
possibility that any of these cases will
be tried instead at the county judge's
criminal court.

APPLES SHIPPED

TO NORTHWEST.

Twenty Thousand Dollars Worth of Fruit
From London District.

Mr. A. C. McPherson, of 420 Oxford
street, president of the McPherson
Fruit Company, Winnipeg, reports
that he has shipped to Winnipeg, this
fall over 7,000 barrels of apples from
the district immediately surrounding
London. The value of the total ship-
ment is over \$20,000, a large amount
of money which has gone into the
pockets of the fruit-growing farmers
of this district. The McPherson com-
pany are the largest importers of
fruit in the Northwest.

HEARTBURN.

Many Sufferers From This Affection
Fail to See Their Real Danger Till
They Are Completely Laid Up With
Gastric Indigestion.

Heartburn is indigestion. The food
instead of being properly digested and
assimilated ferments and lies a sour,
rotting mass in the stomach.

The consequences are always un-
pleasant and a great menace to all
good health.

If not corrected heartburn culminates
in dyspepsia or chronic indigestion.

It is simply a warning that should
be promptly heeded. Something should
be done at once to correct the disor-
dered condition of the stomach and di-
gestive organs.

Dodd's Dyspepsia Tablets are espe-
cially designed to cure all such weak-
nesses. They digest the food allowing
rest and recuperation to the stomach.

They stimulate and strengthen the ac-
tion of the liver and bowels. They
tone up the system, and obliterate ev-
ery trace of heartburn, flatulency, gas
on the stomach, sour stomach or other
symptoms of wrong digestive action.

Dodd's Dyspepsia Tablets do more
than relieve. They cure. Cure per-
manently and forever all stomach
troubles.

They are 50 cents a box, and are sold
by all druggists.

Sufferers from heartburn should lose
no time in procuring a box of this
remedy. It will cure, and by
prompt action you may yet avert the
pains of chronic dyspepsia. However,
if you have waited too long, and have
already entered the final stages, don't
despair. Dodd's Dyspepsia Tablets
will cure you, but of course it is easier
and cheaper to prevent than cure.

Mrs. William S. Cowles, sister of
President Roosevelt, was robbed of, or
lost about ten days ago, a diamond
brooch valued at about \$5,000.

A BENEFACTION TO ALL.—The soldier,
the sailor, the fisherman, the miner,
the farmer, the mechanic, and all who
live lives of toil and spend their exist-
ence in the pursuit of a honest task,
and who are exposed to injuries and ail-
ments that those who toil not do not
know, will find in Dr. Thomas' Electric
Oil an excellent friend and benefactor in
every time of need.

HOLIDAY ON 'CHANGE.

London, Nov. 9.—Holiday on the stock
exchange today.

Hard Colds. People whose blood is pure are not
nearly so likely to take hard colds as
are others.

Physiology goes into the reason.
Hood's Sarsaparilla makes the blood
pure, causing healthy action of the mu-
cous membrane and giving strength and
tone to all the organs and functions.

This great medicine recovers the system
after a cold, so no other does.
