# Great Britain's First Labor Government Will Direct the Destiny of the Nation During Critical Period

NEW CABINET MINISTERS TAKE CHARGE OF COUNTRY'S TANGLED AFFAIRS.

Britain's first Labor cabinet, which took the oath of office at, both "manual and brain workers." The new cabinet: Center, of the House of Commons; Viscount Haldane, lord chancellor; J. H. Thomas, colonial secretary; Philip Snowden, chancellor of

Three peers and a preponderance of "intellectuals" grace ance with the Labor platform, as the party claims to represent the board of trade; J. R. Clynes, lord privy seal and deputy leader commissioner of work; Noel Buxton, minister of agriculture; are trade-unionists. This combination, however, is quite in accord- Arthur Henderson, home secretary; Sidney Webb, president of dent of the council. Bottom row: Left to right, F. W. Jowett, of the board of education.

perhaps, the most critical period since the war. Only seven of Ramsay MacDonald, prime minister and secretary for foreign Col. Josiah Wedgewood, chancellor of the Duchy of Lancashire; the exchequer; John Wheatley, minister of health; Viscount the twenty members appointed to the chief ministerial offices affairs. Top row: Left to right, Thomas Shaw, minister of labor; Sir Sidney Oliver, secretary for India; Lord Parmoor, lord presi- Chelmsford, first lord of the admiralty; C. P. Trevelyan, president

Decide To Send Representative To Convention in Toronto.

WANT STREET CLOSED

Ald. Gordon Drake was re-elected chairman of the town planning comterday afternoon.

The committee decided to send a representative to the town planning and housing convention to be held which started in the kitchen of the representative to the town planning and housing convention to be held which started in the kitchen of the which started in the kitchen of the features of the presidential address of J. H. Garlick at the opening of the annual convention of the Ontario division, Sons of Tempers, and the one ultimately appointed will be decided by the citizens themselves.

The question of closing Terrace street in order that the Richards-willcave Company might extend their property was brought up by W. R. Yendel. In place of Terrace street the company offered property for the continuation of Edna street, in order that a through thoroughfare might be made from Chelsea Green to London South. A considerable amount of discussion ensued on this subject.

The decided by the citizens themselves.

The question of closing Terrace street in order that the Richards-swill be decided by the continuation of Edna street, in order that a through thoroughfare might be made from Chelsea Green to London South. A considerable amount of discussion ensued on this subject.

The workers in the kitchen of the carbication of the canditorium yesterday after. Two wooden school benches were surgested to act as the sumshed to pieces as Grriffith fell upon them. No explanation as to how the accident happened was offered.

Griffith was working with other auditorium. The work was almost completed when in some unknown was skylight. His neck, arms and legs were badly bruised, but no bones were broken.

Dr. N. W. Hughes was summoned and administered medical aid. The injured man was removed to his home in A. L. Oatman's ambulance, and late last night his condition was removed to his home in A. L. Oatman's ambulance, and late last night his condition was removed to his home.
